

SIGNATURE PREPARATORY

Electronic/Print Media

Because of the intense interest in public education, print and electronic media sometimes request to visit schools for stories about programs and current events. In accordance with such activities, district policy requires parental approval be obtained before the media may take close up pictures of students, or use a student's photo in non-school publications.

District Media

This agreement constitutes permission to use photographs and video footage of the student named below in presentations about our schools, programs, and people which may be distributed to by the Signature Preparatory. All photographs and video footage shall remain the sole property of the Signature Preparatory. I understand that no compensation will be made to me for this use.
