

# THE HOUSE SYSTEM AT ST CAT'S

The School House system is the heartbeat of St Catherine's. Every student, day girl or boarder, is allocated to one of the School Houses: Ashcombe, Merriman, Middleton, Musgrave, Russell Baker or Stoner. Each House is made up of around 100 girls from U3 to U6: a mix of ages which is wonderfully enriching, giving each girl the opportunity to make her own valued contribution in a variety of areas: music, sport, art, drama etc.

In their School Year, the girls are also in teaching groups, with all Houses represented, so they make friends across the Houses.

Boarding at St. Catherine's is in age-specific cohorts in four houses: Bronte (age 11-13); Symes (aged 13/14); Keller (age 14-16) and The 6 (age 16-18).
