

Are Your Children Eligible for Migrant Education Services?

Within the last year did you fish or berry pick with your children OUTSIDE of the Kuspuk School District boundaries (see map) for at least 7 nights/8 days? If so, your children may be eligible for Migrant Education services. If you think you may qualify, contact Patty Hoffman at Kuspuk, 675-4250 ext 227.

Kuspuk School District boundaries on the following map are indicated by the dashed line.
