

Fun Science After School Programme at The Paragon (Summer Term)

After the Easter break, Fun Science will be returning to run our after school club for an hour a week after school on a Wednesday for years 3-6 and on a Friday for years 1 and 2.

As always there will be a mix of bubbling potions, mini explosions, science crafts and gross science! Activities will be different to those done previously so children are welcome to sign up again.

The cost for the 9 week programme is £58.50 and this is inclusive of all equipment needed.

The sessions will run for an hour after school from the week commencing 19th April until the w/c 21st June. The programme will be located in a room on site at the school.
