# Give her an **EMPOWERING EXPERIENCE** this summer!

Saint Mary's College knows girls, their interests, and how they learn. It's our passion! Since 1844, Saint Mary's has educated young women to develop their talents to make a difference in the world. We've offered camps since 1974 — helping girls and young women build self-esteem, master new skills, make new friends, and experience the excitement of a college campus.

**Send her to camp — a place where she is free to be curious, creative, and strong!**
