

Kindergarten JumpStart!

For Children Entering ISD 191 Kindergarten in Fall of 2021

Kindergarten JumpStart provides about-to-be kindergartners with engaging, hands-on experiences and social learning intended to support the transition to full day kindergarten. The program is modeled after an all-day kindergarten classroom experience with plenty of opportunities to learn through play and practice kindergarten learning skills.

Kindergarten JumpStart curriculum focuses on personal and social development, language and literacy, mathematical thinking, arts and physical development. Children learn practical elementary school skills including school bus safety, breakfast and lunch procedures and meet people who work in the elementary school including a principal, a teacher, a cook and a custodian.

The curriculum offers a rich learning experience designed to spark your child's interest in learning and assist in the development of knowledge and behaviors that will help children be successful as they enter kindergarten. Morning snack and lunch will be provided each day. Kindergarten Jumpstart is a FREE summer program for ISD 191 entering kindergarten students.
