## DIRECTOR'S MESSAGE

### REST IN PEACE

*Natalia Maksina*

KIS COMMUNITY SENDS LOVE

Dear KIS Community,

It is with profound sadness that we informed the community of the passing of one of our staff members, Mrs. Nataliia Maksina. We were informed by her family that she passed away from complications related to a pre-existing heart condition.

Mrs. Natasha joined KIS in 2007. She was most recently the paraprofessional in the 8B classroom. Over the past 13 years, she has touched the lives of many students, colleagues, and parents. Our sincere condolences and thoughts go out to Ms. Natasha's family and friends.

It has been heartwarming to see the concern of our community here in Kyiv and across the world from people who knew Ms. Natasha. We would like to thank you all for the support and concern that has been expressed and for those looking to help, during this time.

Sincerely,  
Luke Woodruff, Director

## INTENSIVE ENGLISH ELEMENTARY

Our amazing young learners of Intensive English Course have been very busy studying all about farm animals. The students enjoyed learning about the animals, their body parts, and the names of animal babies. While studying new vocabulary, they described different animals in various and fun ways using adjectives.

The students enjoyed reading many books, and even took a virtual field trip to one of the farms, where they had a tour guide giving all necessary details about the animals.

Full of inspiration and ideas, the students were very creative making their own stories about the farm animal of their choice. The final step was to present their projects to the class.

Way to go, our wonderful students! Your diligent work and effort really show!

# IT IS TIME TO SEND THE BOOKS “HOME” TO THE KIS LIBRARY!

All library books and textbooks are due by June 12. If you or your child has any library books/textbooks please return them on any day or time that is convenient over the next few weeks! There will be special bins set up at the school main gates.

Once you have dropped them off and the appropriate quarantine time (48 hours) has passed, the Library staff will check them in. You have received a notice stating the books that need to be sent “HOME” to the KIS Library for the summer.

Any books and textbooks left in the classrooms will be returned by your teachers. Please, note that fines should be paid for any lost items. Contact your librarian for information on paying for lost books!

Please let the head librarian know ([alla-yarmolenko@kyiv.qsi.org](mailto:alla-yarmolenko@kyiv.qsi.org)) if there are any circumstances that prevent you from returning library/textbooks by June 12th.

Middle School and Secondary students will be returning their books and clean their lockers on an announced schedule from their DI.

**Senior Week - May 25-29**

**Secondary School - June 1-5**

**Middle School - June 8-12**

The KIS library is happy to be able to provide high-quality books in several languages to students each year, but we can only do that with your help in returning items.

Thank you for your understanding and cooperation in this matter.

The KIS Library staff

Dear Parents!

In order to give you the opportunity to have some wonderful books for summer, KIS has decided to open the **Online Scholastic Book Club one more time this year! The offer starts on May 18th and runs out on May 29th.** This time the ordering period will be **shortened so that we can hopefully receive your books before the end of the school year. The estimated time of arrival is the 10th-15th of June. Please note this is the estimated date of arrival and is subject the change.**

**Before you place an order, please, consider the following:**

- you have to be in Kyiv till the end of June to be able to pick up your order from school
- if you need to leave earlier for summer you agree to pick up your order in August/September from school. School is not shipping the orders.

### **What is a Scholastic Book club?**

Two or three times a year, KIS gives the opportunity to order quality children's books at a discounted price from Scholastic Book Club. The books Scholastic offers are carefully chosen to get children reading for pleasure - and to keep them reading right through their teenage years. There is no obligation to order, but for every €1 that parents spend on a school's Book Club order, they'll donate 20¢ in FREE BOOKS back to the school\*.

As a librarian I set up a new Book Club order via Scholastic's website. I share the unique Scholastic website address with you below. Parents and children go online to browse the latest Book Club range.

**Parents** order and pay securely online.

Your child's teacher will receive the order, so please remember to choose your homeroom teacher before paying for your books

The books are delivered to school for **FREE**.

### **Here are the steps you need to take:**

1. Go to the school's Scholastic Webpage <http://eu-schools.scholastic.co.uk/qsi-kyiv-international> - you will see QSI in the top right-hand corner.
2. Select which books you would you like - to do this click "BUY"
3. When orders get close to £80.00 or 100\$ please proceed to checkout. There will be a summary of the order, click check out again. You can always open another with the same date straight after. This way the company can keep the orders going through customs without issues/delays.
4. It will ask you to register your email address or if you are a returning customer to log in using your email address and password.
5. Choose which book club basket/teacher you would like to place the order into. Your child's teacher will receive your order and pass it on to you.
6. Make payments for your books.

If you have any questions, please, email me [alla-yarmolenko@kyiv.qsi.org](mailto:alla-yarmolenko@kyiv.qsi.org)

Prior to moving abroad I lived in New York City for almost 6 years. During that time I taught Highschool social studies for three years and was a chef for two years as well. I am in my last semesters of my Masters' studies for Literacy education birth to sixth grade.

I'm excited to be teaching 9yos next year and to move to Ukraine. I love teaching and can't wait to join the KIS family!

I am super thrilled to be part of QSI Kyiv as a middle years Mathematics educator during the 2020-21 school year! In the classroom, I hope to bring my spark for interactive learning and facilitate as much as I can for growth through implementing a variety of teaching techniques and strategies. When I am not working, I get into many things. While posted overseas, we try to engulf ourselves into the local culture, traveling, sports, outdoor activities, cooking/baking, and much, much more, as the list is endless ~ we like to be busy!

# SUMMER SCHOOL

Dear Parents,

I have been asked to consult with the school community to determine if there is interest in attending a summer school this year. The developments relating to the Coronavirus Pandemic, social distancing, and quarantining of the public in Kyiv and Country of Ukraine, have created a very different, new, and sensitive set of circumstances that will likely impact the manner in which we will be able to run a summer school program.

It is clear that the distance learning delivery of education is a viable option and may have to be the approach for the summer school this year. Since the situation we are subjected to changes with little lead time, it may be the only manner to operate a summer school program for now.

While the at home education is an option, there is a possibility that the government may allow the opening up of schools with significant restrictions in place to safe guard the students, and staff involved. If this is the situation then we would need to know if you as a parent would be agreeable to these new conditions, where the school complies with government standards, and allow your son or daughter to participate in an on campus summer school. Our back up plan would be to continue the current distance learning. We may be able to introduce a hybrid of the two formats where students are allowed on campus in small groups to interact with teachers and then do the remainder of their work in consultation with their teachers at home. I need to know your preferences by the deadline for S.S. applications by checking the appropriate box on the registration form, and then sending the application form to the school on or before June 1st, 2020.

The school is working on developing an on-line registration form that can be filled in and sent to the school electronically. Please watch for additional advertisements, information in the KK, e-mail, or the other information circulars from the school.

Sincerely,

Paul M. Bateman on behalf of the school admin team

## **Summer School Application**

### **2020**

Kyiv International School's Summer Program is designed for those students who have not completed required units during the 2019-2020 school year. Participants will work with a qualified teacher to finish required assignments for unfinished units or will be expected to do all assigned work for a unit not yet begun. An end of the unit assessment is normally required to complete a unit and when a satisfactory grade is achieved the student will be awarded a passing grade of "B". Any units that a student would like to attempt to finish during summer school must be preapproved by the current teacher and the Director of Instruction, Mr. S. Legan, or Mr. J. Temple. Students who have completed less than 7 units in a subject are normally not allowed to attend summer school. Such courses are usually rescheduled in the next academic year. In extenuating circumstances, with the approval of a DI, a student may be allowed to attend SS with less than seven completed units. This decision will be made at the discretion of the individual DI's.

<b><u>Week 1</u></b>	June 22 – June 26
<b><u>Week 2</u></b>	June 29—July 3

The minimum registration fee is \$350 per week and students must prepay a \$60 non-refundable deposit along with this application. When work is satisfactorily completed and fees are paid grades will be posted on the school web site. **Summer school registration will close on Wednesday, May 25<sup>th</sup>, 2020.**

When this application is received, summer school staff will begin collecting materials, books, teacher reports and unit information to optimize the summer school experience.

School rules are still in place during summer school and students found violating school rules will be removed from the program without refund.

Classes run from 9:00 am-3:00 pm each day and there will be no bus service. Students interested in lunch may order from local restaurants and have the food delivered to the school.
