Director's Message

The Indiana IEP Resource Center (IEPRC) offers an array of services to assist Indiana schools by providing resources, professional learning, and technical assistance. The IEPRC collaborates with the Indiana Department of Education, Office of Special Education to support best practices to improve outcomes for students with disabilities and to promote a belief in shared responsibility and equitable access benefitting all students.

The IEPRC is a trusted choice for professional learning. Our training schedule offers a robust listing of workshops delivered in a variety of locations and presented at no cost to you. Browse this catalog for an overview of our scheduled workshop options or request a workshop at your site. This year we are offering three new topics: *Inclusive Practices: Establishing a Supportive School Culture for All Learners*, *Developing Behavior Intervention Plans Work Session*, and *Educational Diagnostician Work Session*.

We have made every attempt to offer you the most timely and critical information to better serve the needs of students and look forward to seeing you at future events.

Jolly Piersall, Director
Indiana IEP Resource Center

COVID-19 DISCLAIMER

Due to the COVID-19 pandemic all trainings from July 2020 through April 2021 are offered virtually. If deemed necessary, trainings from May 2021 on will be moved to a virtual format. Updates will be posted on the IEPRC website and emailed to all registered participants prior to the event. We appreciate your understanding during these uncertain times.

Advanced Reporting: The Basics of Reporting and Data Collection

The Advanced Reporting system built into IIEP can truly unlock the potential of our state's IEP system. Every field completed in the Indiana IEP is available to create custom reports that fit your district's unique needs. The system can be used to develop anything from quick probes for specific data to extensive student or district reports. This workshop addresses the needs of both beginners and intermediate users of the system. A brief overview of Advanced Reporting can be viewed here:

<https://youtu.be/4AAMkA4ITVE>

PLEASE NOTE: Participants must have District Administrator, School Administrator, or Special Education Coordinator access to Indiana IEP. The Advanced Reporting system works best on Windows based computers.

AUDIENCE: District Administrators, School Administrators, Special Education Administrators, Administrative Assistants, Data Managers, CODA Managers, Report Developers
