

You are a star because you help me with
homework. You are a star because
you are kind. You are a star be
cause you work hard. You are a star
because you are funny. You are
a star because you love me.
You are a star because you are
pritty. You are a star because
you are a super star.
I love you. You are a star
because you make me smile. I
are a super star.
