Mandatory Parent Meeting: Return to Campus (Hybrid)
March 24, 2021

Norms

- Keep audio muted throughout the duration of the meeting.
- Suggested display option - select Speaker View.
- Use chat box to ask questions. Chat box enabled for a brief Q&A at the end.
- Please respect meeting facilitators and fellow participants at all times.

Opening Prayer/Welcome

“God, the Bible tells us in Galatians 5:22-23 that, when we are full of Your Spirit, it naturally produces more joy in our lives. God, I want and need Your joy today. Please fill me SO full of Your Spirit and Your love that I cannot help but be filled with joy. I don’t ask that you take every hardship away... but that you help me see my current situation through a lens of gratitude and joy. You know what you’re doing, and You are in control. Please help me to find joy in that today!” Amen.

Investing in Health & Safety

SARS-CoV-2 (Covid-19) 101

According to the Centers for Disease Control and Prevention (CDC), Coronavirus disease (COVID 19) is a disease spread by respiratory droplets released when people talk, cough and sneeze. It is believed that the virus is spread to hands from contaminated surfaces and then to the nose or mouth causing infection. Therefore, St. Pius X - St. Matthias Academy has utilized guidance from the CDC, California Department of Public Health (CDPH), California Department of Education (CDE) and the Diocese of Los Angeles in development of this comprehensive health & safety plan.

Health & Safety Measures

Multiple Layers Improve Success

The Swiss Cheese Respiratory Pandemic Defense recognizes that no single intervention is perfect at preventing the spread of the coronavirus. Each intervention (layer) has holes.

Personal responsibilities

Physical distance,
stay home if sick

Hand hygiene,
cough etiquette

If crowded,
limit your time

Shared responsibilities

Ventilation, outdoors,
air filtration

Quarantine
and isolation

Masks

Avoid touching
your face

Fast and sensitive
testing and tracing

Government messaging
and financial support

Vaccines

- Daily Covid-19 Screening
- Contact Tracing
- Health & Hygiene Practices
- Face Coverings (Masks)
- Cleaning & Disinfecting
- Physical Distancing
- Enhancement of Campus and Community Sanitation Practices
- Signage
- Covid 19 Task Force/ Compliance Team

Face Coverings (Masks)

- Students, staff, and visitors must wear a face mask at all times.
- Face mask must cover nose and mouth.
- Wash or sanitize your hands before and after putting on and taking off your mask.
- Don't touch your face while wearing your face mask.
- Wash or sanitize your hands immediately after removing your mask.

Cleaning & Disinfecting

Frequently touched surfaces, such as but not limited to door handles, tables, student desks will be cleaned and disinfected within the school daily or between use as much as possible. Cleaning and disinfecting practices have been enhanced with an increase in frequency and scope. Students will be expected to utilize hand sanitizer as they enter and exit the classroom.

Physical Distancing

- Efforts will be made in all areas of campus to promote physical distancing. Signage will provide visual cues for students to support distancing.
- Space between seating and desks will be in place with the goal of at least 4-6 feet of physical distance.
- Signage is posted throughout the campus to inform and remind the community on preventive measures of COVID-19.
- The school is utilizing one-way hallways and arrows /vinyl wall signs as well as signage hung to remind all persons on campus to follow one-way hallways and physical distancing protocols when in common spaces.

Covid-19 Task Force/ Compliance Team

PMA has a designated COVID-19 Task Force/Compliance Team that is responsible for establishing and enforcing all COVID-19 safety protocols and ensuring that staff and students receive education about COVID-19. The team is composed of representatives from school site leadership, athletics, operations. One member of this team is designated as a school site liaison to DPH.

Community Expectations

Every member of the St. Pius X - St. Matthias Academy Community is responsible for one another whether we are on campus or off campus. That includes parents, students, administration, faculty, staff, coaches, and community members. The spread of SARS-CoV-2 is controlled by our actions. Protocols, policies, and proactive measures taken at St. Pius X - St. Matthias Academy will only be as effective as our commitment. This is a call to action for all members of the community to take a leadership role and commit to the following pledge:

Warrior Safety Pledge

As a member of the St Pius X - St Matthias Academy Community, I pledge to:

1. Wash and sanitize my hands frequently
2. Wear a facial covering (mask/shield) at all times on campus.
3. Stay home if I experience Covid-19 Symptoms (Fever, Cough, Difficulty Breathing, Chills, Sore Throat...) and follow proper attendance reporting protocols.
4. Isolate/Quarantine at home if I have been in contact with someone with a confirmed case Covid-19 and follow proper attendance reporting protocols.
5. Maintain appropriate physical (social) distance at all times on campus.
6. Carefully observe instructional signs and follow directions.

Investing in Campus Upgrades

Investing in Campus Upgrades

As we navigate the current health crisis and its related financial impact, St. Pius X - St. Matthias Academy is committed to providing safe, in person instruction for all students. This requires that we make significant financial investments across a broad range of efforts, including: Personal Protective Equipment (PPE), Plexiglass (in high traffic areas), Air Filters, and Signage.

Investing in Student Return

Daily Expectations

- **Wellness Screening**
 - Daily Covid -19 Questionnaire (Digital) will be the first step of screening on a daily basis. This is an important first step that will enable us to be aware of health indicators.
- **Temperature Check**
 - Will be conducting on a daily basis when entering the campus and temperatures can not be higher than 100.4°F
- **Physical Distancing**
 - We will be spaced a minimum of 4ft - 6ft in the classroom and outside
- **Sanitation & Hygiene**
 - There are stations for washing and sanitizing hands . Classroom will be sanitized on daily routine and bathroom will be done multiple times daily

Map - Student Pick Up: Departure & Exit

At the end of the school day students will exit campus through Stadium. All students will proceed to the parent pick-up area to their vehicle in the area or in the Parking Lot. PMA staff will be present to monitor pedestrian traffic and to direct students out of the Parking Lot and toward the appropriate exit off campus. All parents who are picking up their students at the end of the school day are to enter campus through the Gardendale Parking lot. PMA staff will direct parents into the pick-up area located at the Stadium Parking Lot. Parents are expected to remain in their vehicles and wait for their student to arrive. PMA staff will then direct parents out of the Parking Lot and off campus. **No Pick up or drop off on Consuelo Street.**

Nutrition & Lunch

Nutrition/lunch meals will not be provided by the school. Parents are responsible to provide their son/daughter lunch and snacks for the day. Vending machines will be available during the school day at nutrition and lunch only.

Although we have new water fountains that have touchless filling options, students will be encouraged to bring their own water to minimize use.

Nutrition & Lunch

In order to support physical distancing, students will be provided outdoor settings to utilize for meals and breaks. In each of these settings, students will be seated no more than two per table, with all tables being six feet. Students may eat their lunch in the following locations: Senior Square, and other locations to be determined, and under the tents. Students are encouraged to bring lunch from home, but there will be no microwaves to reheat. Please bring lunches that do not need to be refrigerated or heated.

Investing in Student Life

Mental, Emotional, & Spiritual Wellness

Keeping our students physically healthy is a priority of PMA, but the mental, emotional, and spiritual health is equally important. Our community has experienced high levels of stress and disruption. Students will be encouraged to talk with faculty and utilize our counseling services to support them during this stressful transition back to school. Wellness and resiliency resources (including Faith Formation, Physical Wellness Improvement, Small Group Discussions, Counseling, and ASB Activities) will be shared with students on various platforms, and students will be encouraged to participate in these events.

Student Involvement

PMA continues its commitment to the safe return of our students with guidelines designed to ensure the well-being of our athletes, performing artists, coaches and instructors. As the situation changes, adjustments to protocols will be made. Although PMA is not able to host large gatherings, we will continue to work on ways to get students involved.

We recommend checking our Master Calendar and Athletic Calendar regularly as the page is live and updated on a daily basis.

Athletics

PMA will follow all state, and county guidelines as outlined in the school's "Return to Play" guidelines.

Fan attendance at athletic events will be in accordance with county guidelines.

For updated information, please see the athletic website.

The image shows the header of the St. Pius X - St. Matthias Academy website. On the left is the academy's logo. To its right is the text "St. Pius X - St. Matthias Academy". Further right, the text "Click Here" is displayed in yellow. Below this, a navigation menu includes "Faculty/Staff Directory", "COVID-19" (which is highlighted with a yellow dashed circle), and "Students". To the right of the menu are a search button with a magnifying glass icon and a "Donate" button. At the bottom of the header is a dark red navigation bar with white text links: "ABOUT", "ADMISSIONS", "ACADEMICS", "FAITH", "STUDENT LIFE", "ATHLETICS", "ALUMNI", and "SUPPORT".

COVID 19 Resources for Parents

- **Caring for Children with COVID-19**
 - This [guidance](#) is for people caring for children who have symptoms consistent with COVID-19. Your child may or may not have been tested for the virus and if they were tested, you may or may not yet have the results. Even so, given the number of people who are infected, a child with symptoms like those of COVID-19 should be cared for just like a confirmed case.

COVID 19 Resources for Parents

- **Maintaining Your Immunization Scheduling During the COVID-19 Pandemic**
 - This [resource](#), in the form of frequently asked questions, provides information about how to ensure children receive their routine immunizations during the COVID-19 pandemic.
- **COVID-19 Information for Individuals and Households**
 - This [resource](#) provides guidance for individuals and families to follow to prevent exposure to COVID-19. It includes tips for families with children as well as resources for food and other necessities available to all during the pandemic. Additional languages can be found [here](#).
