COVID-19 PRECAUTIONS

In coordination with Sea Island representatives, we will consult with Glynn County Health Department officials and the Governor's orders to determine the viability of hosting an in-person event on the Retreat Lawn based on current local data and conditions as it relates to COVID-19. If it is deemed imprudent to host an in-person event, Derby Day will become a virtual fundraiser, complete with a raffle, auction, and sponsorship listing. This decision will be made no later than **March 31, 2021**, in order to avoid a cancellation fee.

- Event tickets will be limited and only available through sponsorship packages.
- Per Sea Island's COVID-19 event protocols, patrons will be temperature-checked at check-in. Patrons are encouraged to social distance and have a mask available for check-in and to be used as needed.
- The event is scheduled to be held outdoors. Inclement weather would necessitate a change in set-up and programming.
- The Silent Auction will be operated from an online bidding platform. The Live Auction will only take place online should COVID-19 or weather conditions dictate a virtual event.
- Derby Day 2021 will not feature a dance floor or post-race band party.
