

2020-21 Chaminade Spring Season Athletic Protocols

- Everyone entering our facilities must wear a face mask and social distance at all times.
- For outdoor sports, there are two spectators allowed for each participant, except track.
- NO Spectators are allowed for track meets per St. Louis County Department of Health approved track proposal.
- For outdoor sports, all coaches, officials, spectators and student athletes not participating in the competition must wear a mask and social distance.
- For indoor sports, all coaches, officials, spectators and student athletes must wear a face mask at all times.
- For all outdoor sports, spectators should arrive no sooner than 15 minutes before the scheduled contest time and should sit in designated areas. We encourage all spectators to bring a lawn chair to our tennis matches.
- All visiting team personnel must bring their own water jugs.
- All visiting team personnel should arrive dressed for the competition. Please know that locker rooms will not be available.
- For baseball, track, lacrosse and volleyball events, visiting team personnel should not arrive earlier than 30 minutes before game time.
- For volleyball matches, we will allow two family members per participant. All spectators should sit in designated areas. The spectators should arrive to our facilities no sooner than 15 minutes before the scheduled contest time.
- For water polo, no spectators will be allowed.
- There is no admission charge for any regular season contest this season.
