Assessments

**STAR Testing (Remotely)** - All students in grades 9th-11th are taking STAR English and Math tests in April. Please see the schedule below and plan to ensure that your son or daughter attend this mandatory session and have access to a device with internet as well as a space at home free of distractions. Students will be using the same username and password as they did for Window 1&2. Please remind your son/daughter to have their login information available prior to starting the tests.

Mandatory testing dates:
