OSSD TO RESUME SCHOOL ON MONDAY

OCEAN SPRINGS, MS (OSSD) -- First and foremost, we hope this message finds all of our Greyhounds safe and sound as we continue to recover from the destruction of Hurricane Zeta.

Our buildings have been cleared to return, and we are excited to resume our normal schedule on Monday, November 2nd. All facilities will be open at normal time and are 100% operational.

Our schools suffered only minimal damage to trees and landscaping. We are very fortunate and extremely grateful for Mississippi Power, Singing River Electric, OSSD Technology, and OSSD Operations for all their hard work to get our facilities back to operational conditions in time for school on Monday. Just as we have been able to do with everything this year has thrown at us, our community will get through these tough times, together. We are **#OSResilient!**

NOTE: If you reached out to one of your student's teachers the past few past few days and received no response, you were not ignored! Our email servers have been down since the storm and our staff members were unable to send and receive emails prior to Sunday afternoon.

For more information, visit our website at ossdms.org.
