

Visiting Team Policies

- Teams may arrive 1 ½ hour before the start of the scheduled game—no earlier.
- The Visiting team athlete drop-off/entrance is located off of Gardendale St. (see map).
- The visiting team is responsible for the screening of its athletes. Once the screening is complete, please enter the stadium.
- Athletes must come to the game with appropriate attire/uniform. The locker rooms will not be available for changing.
- Visiting team will bring their own water bottles.
- Halftime team meetings are allowed in the south West end zone.

PMA Spectators

- Spectator information will be relayed to the visiting school's athletic director. Due to the COVID pandemic, stadium capacity will be limited. All spectators are required to go through screening before entering the Smet Family Stadium.
- Face coverings/masks are required at all times.
- After completion of the game, all immediate family members will exit the stadium and return to the parking lot 7th St. field access gate to pick up their son. NO loitering after the game is allowed.
- There will be NO snack bar available. Spectators may bring bottled water only.

Visiting Team Spectators

- Visitor's spectators will be allowed **only** if the visiting school provides a representative to complete the COVID-19 screening.
- Face coverings/masks are required at all times.
- After completion of the game, all immediate family members will exit the stadium and return to the parking lot 7th St. field access gate to pick up their son. NO loitering after the game is allowed.
- There will be NO snack bar available. Spectators may bring bottled water only.

Officials

- Officials are to park in the Gardendale Parking Lot.
- Officials are to arrive dressed and ready to officiate.
- Officials may use either an electronic whistle or a regular whistle (whistle pouch or covering is recommended)
- Officials are to bring their own water bottles.
- Face coverings/masks are required.

Pre-Game Conference

- Limit attendees to head or center referee, the head coach, and a single captain from each team.

- Move the location of the pre-game conference to the center of the field.
- Participants must maintain social distancing protocols during the conference.
- No handshakes.

Equipment Sanitation

- Games shall utilize a three-ball rotation, ensuring that anytime a ball goes out of play, it shall be sanitized thoroughly with a bleach wipe before returning to the rotation.

Team Benches

- Both home and visitor benches are located on the east sideline. Bench areas may be located on opposite sides of the field if agreed upon by the coaches before starting the game.
- Coaches, game personnel, and players are permitted in the bench area.
- Social distance requirements must be observed.

Post Game

- No handshakes.
