TOTAL		490

Q6 What is your reaction to the German government's decision to continue with home learning for Grades 7-10 at least until after the upcoming spring break?

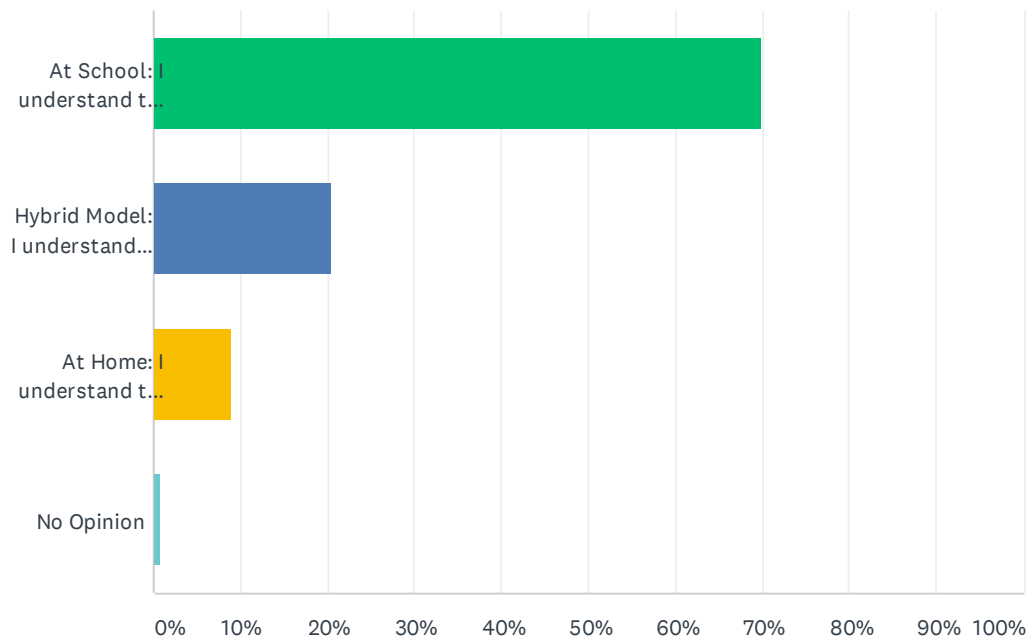

Answered: 492 Skipped: 3

ANSWER CHOICES	RESPONSES	
Agree: I think extending this measure was a necessary step for the government to take at this time.	40.24%	198
Disagree: I think this measure is excessive and overly restrictive.	42.48%	209
No Opinion	17.28%	85
TOTAL		492

Q7 If given an option, what would be your preference for your child's learning environment after we return from the FIS spring break in mid April?

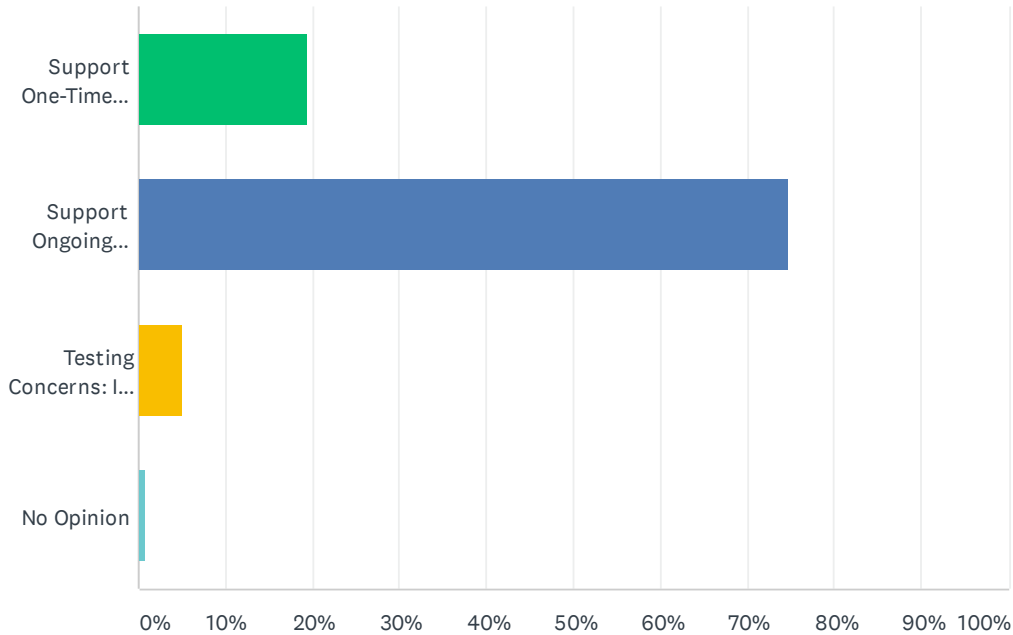

Answered: 490 Skipped: 5

ANSWER CHOICES	RESPONSES
At School: I understand that the pandemic remains a serious health concern in Germany, but I would still like my child to be attending on-campus learning with instruction led by teachers rather than via the distance learning (DLP).	69.80% 342
Hybrid Model: I understand that the pandemic remains a serious health concern in Germany, but I would still like my child to resume on-campus learning some days during the week while utilizing distance learning (DLP) on other days.	20.41% 100
At Home: I understand that the pandemic remains a serious health concern in Germany, and I therefore believe the best course of action is to continue instruction through the FIS Distance Learning Plan (DLP) until otherwise instructed by the government.	8.98% 44
No Opinion	0.82% 4
TOTAL	490

Q8 FIS will be providing each family with a Covid-19 rapid-test to be administered at home prior to each student's return to campus after the spring break. What is your reaction to the introduction of at-home rapid testing?

Answered: 492 Skipped: 3

ANSWER CHOICES	RESPONSES	
Support One-Time Testing: I support this one-time home rapid test after the holiday.	19.51%	96
Support Ongoing Testing: I support the home rapid test after the holiday and would be willing to complete weekly testing for my child(ren) if suggested by the government health authorities.	74.59%	367
Testing Concerns: I have concerns regarding the use of rapid testing for my child(ren) and, if given the choice, may choose not to administer this test.	5.08%	25
No Opinion	0.81%	4
TOTAL		492
