#### INTRODUCTIONS

1. Introductions by Travis Stanford.
  - a. Spring Branch passed almost \$900 million program and that includes the rebuild of Nottingham ES project.
  - b. Make sure everyone's voice is heard.
2. Brandon Ross introduced the PBK team.
3. Phillip Stewart outlined the agenda for the PAT #1 and the charge for the PAT.
4. PAT Charge was read aloud.

#### QUESTIONS FOR NOTTINGHAM ES COMMUNITY

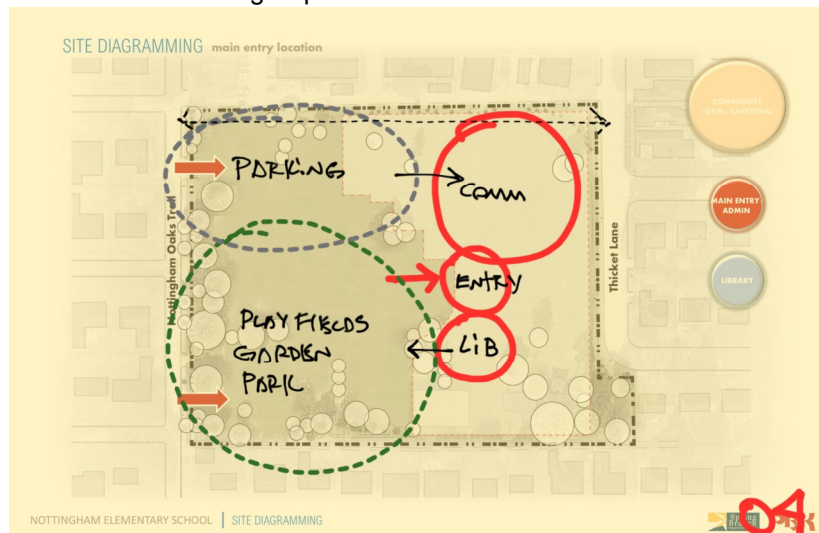

1. Question 1: Tonya Spell - Importance of Community
  - a. Courie Anderson (CA) – School is really cozy, intimate scale.
  - b. Tonya Spell (TS) – been to other schools and don't want white walls
  - c. Becky Hagan (BH) – sense of family and community – surrounds and help. Family feel. Spaces to all come together to benefit the kids.
2. Question 2: Aspect of the existing campus that you don't want to lose?
  - a. Peter DallePezze (PD) – like the large gathering areas at the school, covered basketball.
3. Question 3: What is your least favorite aspect of the campus that needs to change?
  - a. Courie Anderson (CA) - the carpool access is a serious problem There is a really traffic congestion and not safe for the kids.
  - b. Way to have traffic use main street and have access around.
  - c. Residence have driveways blocked. Big concern for the neighborhood.
  - d. Watson Potter (WP) – Parking in the street and going around – people zoom around the traffic and it a hazard for parents walking and kids leaving the school.
  - e. Lot of children who walk and bike, not safe to cross the traffic.
  - f. Busses go out on a different side. Safety issue.

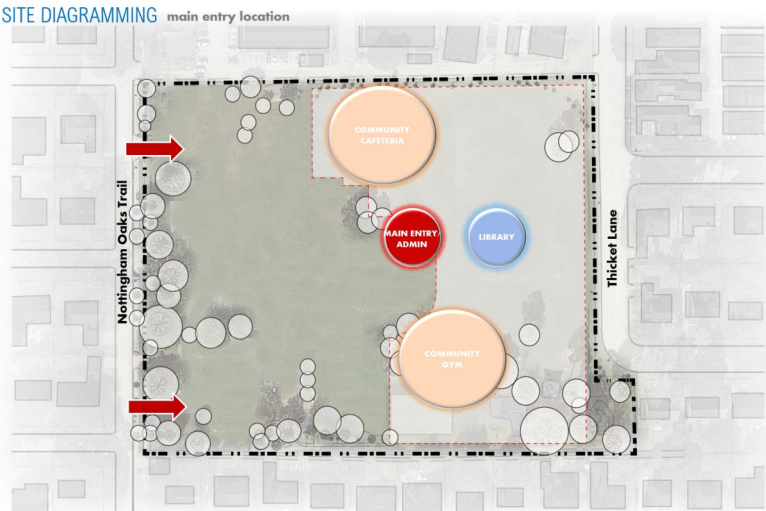

4. Question 4: Describe how the new NHE can support family engagement and community activities:
  - a. PD – outdoor space that is covered – school uses it quite a bit and provides for outdoor activity.
  - b. Thomas DeBesse – covered outdoor area, community on the track, kids playing softball and soccer, parents and kids on the playground. It is where the community comes together.
  - c. CA – for interior events – the cafeteria is too small for the parent events. Have a space large enough for a school event or adjacent spaces to have the gym and cafeteria space together.
5. Question 5: Name three things that you think should be a part of new learning environments?
  - a. BH – more areas for hands-on learning, active learning lab, movement, sensory – fun and enjoyable learning for kids
6. Question 6: Describe your vision for the new Nottingham Elementary School
  - a. Sherrie Folger – it would be nice to have data rooms to monitor progress for students on the walls in the rooms.
  - b. Jeanette Choy – great to have spaces collaborate together, intermingle classes
  - c. Modern
  - d. PD – adaptive – grow with the community, right now they are out of classrooms
  - e. TS – outdoor area for classrooms and eating outside and can be big enough for parents.
  - f. WP -cornerstone academy has a great outdoor space for teaching, meeting, learning area, eat outdoors.
  - g. BH – outdoor stage
  - h. Ysella Kaseman – outdoor eating for the community

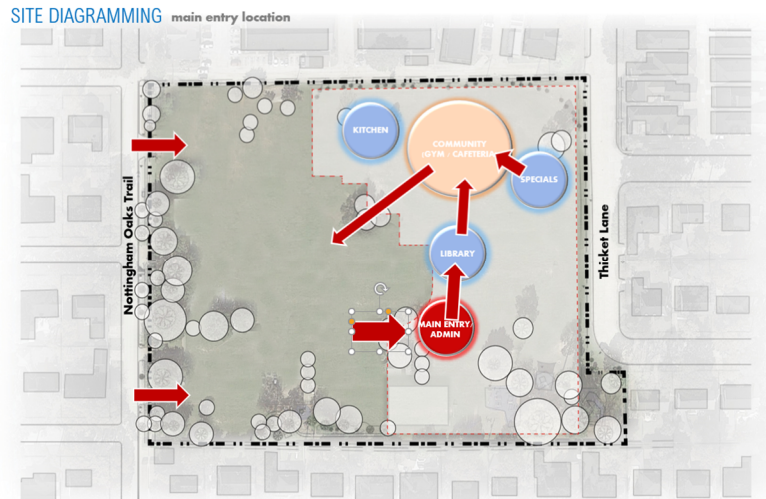

## SITE ANALYSIS

1. Daniel De La Garza (DD) & Jorge Tiscareno (JT) went over site analysis
  - a. TS noted that she love the trees and the garden
  - b. Gina Keith - FYI the larger glass pieces on the shed near the covered hardtop are removable. They were designed that way so they can moved to a new space when that area gets torn down.
  - c. BH noted they have 85 staff members.
  - d. PD – would like to have/show pedestrians leaving from the east side of the site.
  - e. CA - What measures will be taken when construction starts to ensure kids can't access the construction site.
2. Break out into small groups. Three break out rooms.
