Dear Friends,

St. Bernard Academy continues to live in a culture of giving that goes back to the early days of the Sisters of Mercy as they built and moved into their dream facility on Hillsboro Turnpike in 1905. Mother Xavier was up to the task of carrying out their mission as “the brave little figure went in and out of homes, banks and stores.” Inside of one year, she had raised the \$40,000 needed to build the facility that would become the center of Mercy culture and life in Nashville. “Four stories with a sub-basement... heated by steam, and supplied with gas and electric lights, and all modern conveniences.” This, of course, was the St. Bernard Convent!

Over 100 years later, we are so grateful for the kind and generous financial support witnessed in the following pages. This generosity is critical to the daily work our students, faculty, and staff do inside the building. It is also relevant to our community as we continue our work to make St. Bernard Academy affordable for a diverse group of Nashville families. Charging tuition yields the lion’s share of our budgeted revenue, but the gifts-in-kind, support from foundations, company matching gifts, and tax-deductible gifts to our Annual Fund help bridge the gap.

We understand, too, that it is not just financial contributions that provide the foundation for our thriving school community. Parents, grandparents, alumni, and past parents all give their time and talents throughout the year. We invite you to get more involved with our SBA family. Please visit campus, share your skills and expertise with our students and faculty, or attend one of our community events. The relationships we are building and the bonds we are forging are the true strengths of St. Bernard Academy.

As we prepare for our next fiscal year, another year of accountability, we are focused on creating opportunities and paths for others to join us in our mission. We continue to explore opportunities that can provide financial support to families who may not otherwise be able to attend SBA. We are engaged in strategic planning for the future success of SBA academically, spiritually, and socially. As always, you, our benefactors, can be assured that our plans for the future will reflect the values and work ethic established by the Sisters of Mercy. We thank you, sincerely, for your continued support of our students, faculty, and staff. God bless you and your families.

"The relationships we are building and the bonds we are forging are the true strengths of St. Bernard Academy."

Carl J. Sabo
Head of School

Dear St. Bernard Community,

With a record number of new student applications, interest in St. Bernard Academy is at the highest level in recent memory. In August 2019, we expect to welcome over 360 students, an increase of more than ten percent over just four years ago. The growth and interest is due in no small part to the great work by our faculty and staff as well as your work in communicating the strengths of our school to prospective parents.

As we have done in the past, in fall 2018, we embarked on a five-year strategic plan to make sure that the school's long-term goals aligned with those of our constituency groups. Informed by the results of the 2017-2018 fiscal year, we began with a comprehensive survey that was followed by a retreat focusing on the priorities identified in the survey. Thank you to all who took time out of your busy schedules to attend the retreat and complete the survey.

Notwithstanding the strong interest and growth, like all schools — and in fact, many businesses in Nashville — our operating costs continue to rise. Many of you may not know that the cost of educating a student for the 2017-2018 school year was \$12,984 while student tuition was \$11,900. To make up for this shortfall, as in prior years, we relied on the Annual Fund. Thank you to all who made charitable contributions to the Annual Fund as well as secured matching gifts from your company. We also thank all the volunteers who participated in the HSA Auction and other fundraising projects throughout the year.

After serving on the Board for five years, there is no doubt in my mind that the school is in an excellent position. In addition to the strong demand, students continue to excel in academic competitions, and the school was recognized by the U.S. Department of Education as a 2017 National Blue Ribbon School. Perhaps, most importantly, all stakeholders seem to be genuinely interested in working together to make the school a welcoming and thriving educational environment in the spirit and tradition of the Sisters of Mercy. I truly appreciate your financial support and involvement at the school.

Best,

Shane Cortesi
President of the Board of Trust

1866 SOCIETY

St. Bernard Academy created the 1866 Society in honor of the pioneers whose leadership, courage, and faith established our school, imagined new possibilities for its vibrant future, and nurtured a culture of giving that endures a century and a half later. We are honored to recognize our most generous donors and are profoundly grateful for their commitment to SBA.

FOUNDERS

\$10,000 and above

Like the six young Sisters of Mercy who traveled to post-war Nashville in 1866 to educate the poor, our Founders donors affirm their steadfast commitment to our growth and to the values and ideals espoused in our mission: to provide an excellent, Catholic academic education built on a foundation of self-discipline, compassion, and a sense of responsibility for social justice.

ANNUAL GIVING

The Annual Fund is the most important source of unrestricted funds available to St. Bernard Academy. It is critical to our fiscal health as Annual Fund gifts flow directly into the operating budget. Annual Fund monies broadly support academic programs, faculty development, and campus and environmental stewardship while allowing us to keep tuition affordable for a diverse group of families.

"Our children were given a strong foundation which developed in them great confidence and humility. They were academically challenged to think deeply, critically, and creatively. They each made strong friendships and grew spiritually and in their understanding of the importance of serving others."

St. Bernard Academy is grounded in a strong sense of community. Over the last century, SBA has honored tradition while consistently increasing academic rigor and strengthening the deep connections built around our school. It was a privilege to lead the Home and School Association over the 2017–2018 academic year.

With the support of countless parent volunteers, the HSA was able to sponsor more than two dozen activities including Fall Fair, class parties, Catholic Schools Week, Father Daughter Dance, and Mother Son event. Special thanks to Daniele LaFreniere and Jenelle Spicer for heading up a record-breaking Havana Nights auction raising over

\$123,000. All proceeds funded the HSA operating budget for 2018–2019 and left a large sum to gift the school.

Thanks to our executive committee — Kelly Barrett, Megan Clark, Trina Ewald, and Emily Slattery. Their leadership and guidance made all our events, including the Faculty and Staff Christmas luncheon and teacher appreciation feasts, incredibly successful.

Finally, thank you to all our volunteers for your enthusiasm and diligence in creating so many fellowship opportunities. Family involvement is part of what makes SBA an incredible place to send your kids.
