This Agreement is between the parties identified on page one (1) of this Agreement. The purpose of this Agreement is to improve the educational outcomes for students in foster care. This Agreement meets the Department of Children, Youth & Families (DCYF) mandate under RCW 74.13.550 through .570 to develop collaborative agreements with school districts. This Agreement also meets the requirement for school districts to develop written transportation procedures as required in ESEA Section 1112(c)(5)(B).

For the purposes of this Agreement, children and youth in foster care are in the care and custody of DCYF in licensed and unlicensed out-of-home care.

A list of school district Regional Education Agreements is located on the DCYF Contracts website:

<https://www.dcyf.wa.gov/services/child-welfare-providers/rea>

## 1. Purpose

The purpose of this Agreement is for both parties to acknowledge and support the intent of the Every Student Succeeds Act (2015), RCW 74.13.550, RCW 74.13.560, RCW 74.13.631 and RCW 28A.225.350 that children and youth in foster care who are in the care and custody of DCYF in licensed and unlicensed out-of-home care shall remain in their school of origin whenever it is in the child's best interest. Further, the parties agree to communicate, share information, and coordinate support services that will improve educational outcomes for foster children in accordance with RCW 28A.225.360 and RCW 74.13.560.

## 2. Confidentiality

Information shared shall be limited to that which is necessary for providing for the educational success of the student, shall retain its confidentiality, and shall not be further disclosed except as allowed under state and federal law [RCW 74.04.060; chapter 13.50 RCW; chapter 70.02 RCW; Family Educational Rights and Privacy Act (FERPA); 20.U.S.C. §1232g(b)(1)(L) (Uninterrupted Scholars Act); 34 C.F.R. §99].

The parties shall ensure that only persons with a direct role in case planning for or providing education services to a student under the school district's supervisory authority, and who have a legitimate educational interest in the information, will have access to confidential information pertaining to students in foster care.

Information shared shall be limited to that which is necessary for providing for the educational success of the student, shall retain its confidentiality, and shall not be further disclosed except as allowed under state and federal law.

## DCYF REGIONAL EDUCATION AGREEMENT

**3. Planning**

The parties shall respectively identify a contact person at the DCYF Region and School District levels. The school district will receive School Notification forms from DCYF Social Service Specialists when students are placed into care, when a student's placement changes, and when students are returned home. The DCYF Regional contacts will assist with problem solving when issues cannot be resolved at the local office level.

The parties shall partner in an effort to improve the educational outcomes of children in foster care by sharing information and providing opportunities for collaboration and professional development.

**4. Best Interest Determinations**

Children who enter out-of-home care or change placements will remain at the school they were attending unless it is determined to not be in their best interest (RCW 28A.225.350).

Best Practices: Foster Care and School Selection:

[http://www.k12.wa.us/FosterCare/pubdocs/FostercareSchoolSelection\\_WA.pdf](http://www.k12.wa.us/FosterCare/pubdocs/FostercareSchoolSelection_WA.pdf)

The parties shall make every effort to gather meaningful input from relevant parties, such as the child (depending on age and development), Foster Parents, Parents/ Legal Guardians when appropriate, Social Service Specialists, Teachers, School Counselors, and Mental Health professionals. Best interest determinations shall be consistent, whenever possible, with the child's case plan.

Best interest determinations will be made as quickly as possible to support educational continuity. The school district will ensure that the student remains in his or her school of origin while determinations are being made [ESEA Section 1111(g)(1)(E)(i)].

**5. Transportation**

Some children in foster care will need transportation to remain in their school of origin when it is in their best interest to do so. To facilitate transportation for these children, a school district receiving Title I, Part A funds and the DCYF should collaborate to ensure that transportation for children in foster care is provided, arranged, and funded [ESEA Section 1112(c)(5)(B)]. Agreements to share transportation costs will be decided on a case by case basis, and shall be determined through collaboration between the Social Service Specialist and the school district. Any Agreement for payment for the individual student will occur outside of this Agreement.

If DCYF and the school district cannot agree on how to provide and pay for appropriate transportation to maintain a student in their school of origin, the school district will provide services while a dispute is being resolved through the OSPI approved Dispute Resolution Process. To avoid delays in processing disputes, either party may begin the Dispute Resolution Process.

**6. Disputes**

Should disagreements develop regarding any of the above provisions, the Social Service Specialist or School District Foster Care Liaison may use the OSPI approved Dispute Resolution Process to resolve the matter. The OSPI Dispute Resolution Process can be found at:

[https://www.k12.wa.us/sites/default/files/public/fostercare/pubdocs/fostercaredisputeresolutionprocess\\_wa.pdf](https://www.k12.wa.us/sites/default/files/public/fostercare/pubdocs/fostercaredisputeresolutionprocess_wa.pdf)

The school district will ensure that a child remains in his or her school of origin while disputes are being resolved [ESEA Section 1111(g)(1)(E)(i)].

## DCYF REGIONAL EDUCATION AGREEMENT

**7. Term of Agreement**

This Agreement shall begin on the date indicated on page one (1) of this Agreement and reviewed every three (3) years to determine whether the purpose and objectives of this Agreement have been met. This Agreement may be terminated by either party in writing with thirty (30) days' notice.

The Agreement may be modified either by an Amendment to the Agreement specifying the change, or by an Amended Agreement. Any modification must be in writing and mutually agreed to and signed by the parties.

**8. Funds**

The parties acknowledge that no funds are transferred under this Agreement, and that this Agreement is for collaboration purposes only.

### **3. Transportation**

- a. Work collaboratively with school districts to develop transportation plans for children in foster care.

5. Foster Home Recruitment

**1. Service Planning within School District**

- a. Participate in the planning process for school continuity when DCYF notifies the school district that children have been placed in foster care (RCW 28A.225.360).
- b. Identify a Foster Care Liaison at the school district level to receive notifications from each school when children have entered foster care, changed placements, or have been returned home. The Foster Care Liaison will further disseminate the information to school and district staff who have a legitimate educational interest in the information (RCW 28A.320.148 and ESEA Sec. 112(c)(5)(A)).
- c. Information disseminated shall be limited to that which is necessary for providing for the educational success of the student, shall retain its confidentiality, and shall not be further disclosed except as allowed under state and federal law [RCW 74.04.060; chapter 13.50 RCW; chapter 70.02 RCW; Family Educational Rights and Privacy Act (FERPA), 20.U.S.C. §1232g(b)(1)(L) (Uninterrupted Scholars Act), 34 C.F.R. §99].
- d. Enroll students in foster care immediately in school when enrollment is sought. The enrolling school will immediately contact the school last attended to obtain education records, and the sending school will immediately transfer those records [ESEA Section III(g)(I)(E)(iii)].

Social Service Specialist may invite the student's court appointed representatives, education liaisons, advocates and parents, if appropriate.
- g. Attend any case planning meetings as requested by DCYF whenever possible.

**2. Information Sharing and Confidentiality**

- a. Transmit education records when requested by DCYF within two (2) school days in the following situations:
  - (1) DCYF is conducting an investigation of child abuse and neglect and it is determined by the investigator that education records are relevant to the investigation (RCW 26.44.030).
  - (2) The student has been placed in foster care, or the court requires a status update including educational information [RCW 28A.150.510; Family Educational Rights and Privacy Act (FERPA), 20.U.S.C. §1232g(b)(1)(L) (Uninterrupted Scholars Act)].

## DCYF REGIONAL EDUCATION AGREEMENT

- b. Ensure that only persons who have a legitimate educational interest in a student's confidential child welfare information, will have access to information pertaining to students in foster care. Information shared shall be limited to that which is necessary for providing for the educational success of the student, shall retain its confidentiality, and shall not be further disclosed except as allowed under state and federal law's [RCW 74.04.060; chapter 13.50 RCW; chapter 70.02 RCW; Family Educational Rights and Privacy Act (FERPA); 20U.S.C. §1232g(b)(1)(L) (Uninterrupted Scholars Act); 34 C.F.R. §99].

### 3. Transportation

- a. Children in foster care needing transportation to their schools of origin will promptly receive that transportation;
- b. The school district will provide or arrange transportation services in the most cost-effective manner [ESEA Section 1112(c) (5) (B) (i)];
- c. If there are additional costs incurred in providing transportation to the school of origin, the school district will provide such transportation if:
  - (1) DCYF agrees to reimburse the school district for the cost of such transportation;
  - (2) The school district agrees to pay the cost; or
  - (3) The school district and DCYF agree to share the cost [ESEA 1112(c) (5) (B)].
- d. If there is a dispute between DCYF and the school district regarding transportation, the district will provide transportation while the dispute is being resolved [ESEA Section 1111(g)(1)(E)(i)].
- e. When sharing costs, the district will report their foster care transportation expenditures for ridership funding in Program 99. This enables districts to be funded at the same percentage for foster care transportation as they would regular routes, regardless of the transportation method used by the Lead Education Agency (LEA). The LEA and DCYF will then split the additional costs not reimbursed by the Washington State pupil transportation funding formula.
- f. The school district will make every attempt to maximize their transportation allocation to limit the incidence of additional costs. Should additional costs serve as a barrier to the provision of transportation services, the school district will make every effort to collaborate with DCYF staff to reduce this barrier [ESEA Section 1112(c)(5)(B)(ii)].

### 4. Training and Meetings

- a. Collaborate and participate with DCYF (RCW 28A.225.360) to organize and develop cross-training opportunities for school district and DCYF staff to increase knowledge and understanding of the unique social and educational needs of foster children. For the purpose of education case planning, invite DCYF Social Service Specialists to school staffing(s) for specific children.
- b. Attend general and child-specific meetings, hosted by the DCYF Social Service Specialist, whenever possible.

### 5. Foster Home Recruitment

Support school-based recruitment efforts geared towards increasing foster home capacity to allow children who enter foster care to remain in their schools or origin when it is in their best interest.
