

SAINT MARK'S
EPISCOPAL SCHOOL
FORT LAUDERDALE | EST 1959

Early Childhood Teacher

Saint Mark's Episcopal School is a vibrant, successful parish day school and a leading independent school with a strong academic reputation. It is located on ten acres alongside the charming New River in Fort Lauderdale. Saint Mark's mission is to provide an education of academic excellence, ethnic and cultural diversity, service to community and respect for self and others. This is a dynamic and happy school where children love learning for its own sake. It encourages intellectual curiosity, and the development of critical thinking and collaborative learning. Each Child, Each Day is Saint Mark's motto; it reflects the personalization and individualization taken into account for each child. A warm and family-oriented, caring place, Saint Mark's lives out its vision, celebrating the sense of community. Saint Mark's Episcopal School is seeking an Early Childhood teacher who demonstrates expertise and knowledge in early childhood curriculum. Ongoing professional growth and development is essential to the position and the teacher must be current in new pedagogies that support the individual learning differences of each child.

Qualifications:

- Minimum of a Bachelor's degree in Early Childhood Education, preferably a Master's degree.
- 40 hours of introductory child care training
- State Certification or Statement of Eligibility
- Minimum of 3-5 years of experience

Criteria:

- Effective and committed to the mission and traditions of Saint Mark's Episcopal School
- Set high goals with clear expectations.
- Create engaging and educational lesson plans.
- Increase educational knowledge and stay up to date on new methods by joining professional organizations, attending webinars and conferences and attending training sessions for teachers
- Maintain effective and timely two-way communication with parents.
- Maintain thorough and accurate assessments on an ongoing basis and meet all academic deadlines.
- Demonstrate effective classroom management.
- Use a variety of teaching approaches.
