

NSU University School is a JK-12, college-preparatory school serving approximately 1,850 students on the larger Nova Southeastern University campus in South Florida. We seek an Upper School Math Teacher for the 2021-2022 school year. The successful applicant will be comfortable teaching a variety of levels of math including regular and honors levels of Pre-Calculus and AP Calculus AB.

Preferred qualifications for this position include:

- Confidence in ability teaching multiple levels of math
- At least three years' experience teaching students in grades 9-12
- Experience in modeling, design theory, formative assessment, project-based learning, experiential learning, and UbD curriculum creation
- Innovation, organization, and leadership skills
- Desire to guide and inspire high school students
