

Teacher Fund Video Script 2020-2021 (FINAL)

This school year is unlike any other year. We are living in a world of uncertainty. Things may look a little different, but a few important things remain the same.

Kids will be kids

Teachers will be teaching...and

Taxes are still due.....

Did you know that 63% of Eanes Property Taxes never make it to our classrooms because they are recaptured by the State to help support other districts?

Did you know that librarians, nurses, pre-AP/AP teachers, fine arts teachers, social emotional counselors and many more important positions/programs are NOT funded by the state because they are seen as luxuries?

For close to 30 years, Eanes Education Foundation has been raising funds to ensure that our children get the education they deserve. EEF is the only organization that can help fund additional teachers and staff for the District and since EEF's inception, it has granted over \$23 million to fund more than 474 teachers. Last year's donations helped fund 53 teachers/programs for this school year.

Did you know.....85% of the district's budget is dedicated to personnel and with EEF's help, the district is able to add even more teachers and staff who provide diverse educational programs for our children.

AND...did you know...100% of all donations to EEF are used to fund teachers who provide vital programs within all 9 of the schools in the district. 100% of your donation stays in our district!

EEF works hard year after year to fund 50 plus teachers so that we may continue the tradition of providing our children an excellent education which everyone expects from living in the district. The Eanes community has been distinguished by its devotion to education. In Eanes, excellence is more than a goal, it is the standard.

So while some teachers may be teaching from classrooms while others are teaching remotely... EVERYONE is doing their best to make it work for you, for me, for him and for her AND we need YOU to do your BEST and support Eanes Education Foundation.

With your steadfast commitment and donations TODAY, we can ensure our continued tradition of excellence for the NEXT SCHOOL YEAR. We are Eanes, we are in this TOGETHER, we support our kids, teachers...our Everyday Heroes. We expect the BEST for our kids....now, tomorrow, next year and for many years to come. Teachers make a difference....even at a distance.
