

Dear Prospective Launch Parents and Guardians,

Congratulations! Your child has been accepted for 6th Grade at Launch Charter School for the 2021-22 school year. We are excited to welcome you and your family into the Launch community!

At Launch, we are guided by two strong beliefs:

“**We are crew**” is a sentiment and a belief that guides all of the work we do at Launch. Everyone on our crew- teachers, staff, students and families - has a voice and role to play in creating a joyful school where all children learn and achieve.

Ubuntu - is the African notion that I am because we are. In the Launch community, we believe that we are all connected and that we all achieve more together. Therefore, our school is only as strong as our family partnerships.

Crew and Ubuntu certainly came to the forefront this past year. Our entire community came together with energy, positive spirit, and compassion. It has not been an easy year for anyone but our community has come together time and again, through good times and hard times, to uplift, celebrate and support each other.

To confirm your child’s spot in the 6th grade class please do the following:
