School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Capri Elementary School has served the community of Leucadia in north coastal San Diego County since opening in 1969. Our families describe our K-6 school of 700 students as a “hidden jewel overlooking the Pacific” and is a California Distinguished School.

Capri’s students are culturally, linguistically, and economically diverse. Capitalizing on our diverse cultural resources, Capri has developed an exemplary Dual Language Immersion program in Spanish, which serves students from throughout the district. The Dual Language Immersion Program is a challenging and rigorous academic program in which Spanish is used as the primary language of instruction. The program implements a 90/10-immersion model in which K-1 students receive 90% of their instruction in Spanish and 10% in English. Each year after first grade, the percentage of time instructed in English in core subjects increases by 10% annually, until 4th -6th grade, which is 50/50. The goals of the program are: academic excellence, fluency and literacy in both languages, and cross-cultural understanding.

Capri’s attendance area is also home to many local artists. Building on the artistic and eclectic personality of our neighborhood, Capri also enriches academic learning by infusing visual and performing arts throughout our school-wide program. Capri parents actively support and enhance student learning through generous volunteerism.

Thanks to our PTA and Encinitas Education Foundation, we engage music, science, art, and PE consultants who further enrich our students’ experience at Capri. Capri’s talented teachers are highly educated, intelligent, caring, and collaborative. Capri’s students are sensitive, curious, imaginative, and hard-working. Together, we share our beautiful campus, pursuing our vision of exceptional learning for every child.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

School Facility Conditions and Planned Improvements (Most Recent Year)

Capri Elementary School provides a safe, clean environment for all students, staff and volunteers. The school facilities were built in 1969 and currently include the library, multi-purpose room, staff lounge, science lab, twenty two permanent classrooms, seven portable classrooms, and two playgrounds. Improvements made in 2018-19: Replaced worn ramps to portables, new flooring throughout the entire campus, and the Capri garden area underwent a complete revitalization as a part of our Green Team work. In 2018, the library was beautified with paint and new flexible seating and is now known as Capri Commons. We also built two. new ball walls on the playground.

District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. District maintenance has indicated that 100% of all toilets on school grounds are in working order.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	70	69	75	75	50	50
Mathematics (grades 3-8 and 11)	68	67	71	71	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents and the community are very supportive of the educational program at Capri Elementary School. We hold a variety of events, programs, and activities throughout the school year for parents to become actively involved in their child's school and education: Fall Festival, Capri De Mayo, Art Experiences, Jog-a-thon, Book Fair, Capri Reads Reception, Parent Teacher Association (PTA) meetings, family dinners and restaurant nights, family curriculum nights, Open House, and Back to School Night.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

School Safety Plan (School Year 2019-20)

Maintaining a safe and orderly environment is essential to learning. The Comprehensive School Safety Plan (CSSP) is developed by Capri Elementary in consultation with local law enforcement/Emergency Preparedness staff, School Site Council (SSC) and Administrative Services in order to comply with Senate Bill 187. It was most recently updated and reviewed in September 2019 and accepted by the Board of Trustees in November 2019.

The CSSP includes elements such as emergency plans and procedures, including the Run, Hide, Fight Model, the School Protection Evacuation Plan for Wildfire, school rules and school dress codes. Fire drills are conducted monthly, earthquake drills are held four times a year, and two lockdown exercise drills are practiced each year. All schools in the district are closed campuses, and visitors must immediately register in the school office before entering the campus. School access is monitored by administrators, teachers and other school staff.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	10	10	16

In Encinitas teachers participate in professional development at least once per month. Four months are dedicated to district-wide training, while six months are dedicated to school specific training. Teachers also participate in choice and extended learning opportunities, weekly collaboration and planning, as well as individual professional development around personalized learning topics. In the 2019-2020 school year there were also several PD days dedicated to math and NGSS. At Capri, staff participated in 1.5 hours of PD on Transgender Student Support and 1.5 on the Benefits of Social Emotional Learning Programs.
