School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Facility Conditions and Planned Improvements

District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. District maintenance has indicated that 100% of all toilets on school grounds are in working order.

Cleanliness at Olivenhain Pioneer is maintained by the three custodians who work at the school site throughout the week. These custodians include a full time staff member who takes great pride in the appearance of our school. This can be seen from the time you walk on to our campus. During 2010-11, the roof was repaired and a new playground was added.

All schools within the Encinitas Union School District will have various site upgrades during the next 3-5 years based on the Capital Facilities and Technology Plan submitted as a component of Proposition P that was passed by the voters in November 2010.

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents and the community are very supportive of the educational programming at Olivenhain Pioneer Elementary School (OPE). Numerous programs and activities are enriched by the generous contributions made by The Parent Teacher Association (PTA), and the Encinitas Education Foundation (EEF). Both organizations work in conjunction with OPE's School Site Council to set annual goals for student achievement and to provide opportunities for enrichment.

Olivenhain Pioneer Elementary School offers a variety of events, programs, and activities throughout the school year that allow parents to become actively involved in their child’s school community and education. The following are just a few of the activities and events at Olivenhain Pioneer Elementary School that are open to parents and family: book fair, family science nights, weekly school spirit assemblies, Grandparents’ Day, school plays, OPE Reads Awards Assembly, Parent-Child Sweetheart Dance, musical programs, Arts and Science, the Ice Cream Social, the Aloha Party and a variety show. This year due to the pandemic, OPE has pivoted and provided many of the opportunities in a way that maintains our community building and legacy events while focused on safety. OPE has engaged in our annual events virtually and in socially distanced ways. Our book fair, variety show and performances, parent information series, parent teacher conferences and principal chats, OPE Reads Program and fundraising events have all taken place through video conferencing platforms, Parent communication via Parent Link and the PTA and EEF website and weekly newsletters have provided connectivity throughout the COVID pandemic. Our Aloha Party, Halloween festivities, Winter Wonderland and Ice Cream Social have shifted to drive through events. The participation in these events and activities has been commensurate to our past live and in person events which has enabled parents to remain involved in our school community.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.2	0.2	0.4	0.2	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	10	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Maintaining a safe, clean, and orderly environment is a top priority and essential to teaching and learning. The Comprehensive School Safety Plan (CSSP) is developed by Olivenhain Pioneer Elementary in consultation with local law enforcement/emergency preparedness staff, School Site Council (SSC) and Administrative Services in order to comply with Senate Bill 187. The CSSP includes: Annual Schools Safety Data, School Safety Policies and Procedures, Emergency Preparedness Procedures, and Emergency Plans and Protocols. It was most recently updated and reviewed in October 2020 and accepted by the Board of Trustees in November 2020.

We conduct regularly scheduled safety drills including fire, shelter-in-place, lockdown and earthquake. We practice evacuation procedures for fire, procedures for disaster preparedness, and to be ready to respond to the possibility of strangers or dangers on campus. Our district maintenance and site custodial personnel routinely check all play equipment for safety and make recommendations for proactive maintenance. To ensure safety during instructional hours, the perimeter gates of the site are locked immediately after entry each morning and reopened only at dismissal. During school hours, all visitors are required to present an ID for processing via our Raptor Visitor System. Additionally, our site is alarmed during non-school hours. To monitor all school sites, each school is equipped with surveillance cameras. We have a strong partnership with the San Diego County Sheriff's Department North Coastal Station in Encinitas, the Carlsbad Police Department and our Carlsbad School Resource Officers. All staff takes pride in our school and work together to maintain a well-kept and safe facility.

Number of school days dedicated to Staff Development and Continuous Improvement	10	16	12

In Encinitas teachers participate in professional development at least once per month. Four months are dedicated to district-wide training, while six months are dedicated to school specific training. Teachers also participate in choice and extended learning opportunities, weekly collaboration and planning, as well as individual professional development around personalized learning topics. In 2020-21 all teachers completed four hours of training from Catlin Tucker to support distance learning and teaching in a hybrid model. Our teachers have also had opportunities to attend district workshops on digital citizenship, digital programs, our new Student Information System, and equity.
