EMPLOYEE VALIDATION FORM

I, _____ understand that the validation of employment with St. John Paul II Catholic School is contingent upon the successful completion of the check of my **CRIMINAL HISTORY RECORD INFORMATION**. Successful completion of the criminal history information check is in the judgment of the Principal.

If, after the criminal history information check, the Principal communicates a judgment of non-clearance, immediate termination of employment will be required, and any and all relationships between the school and myself, the employee.

Salary would then be paid up-to-date on a per diem basis.

By my signature, I acknowledge my understanding of and agreement to all of the above.
