

Wildcat Cards

We can earn Wildcat Cards when we demonstrate the expected behaviors, as indicated on our school and/or classroom matrixes. We work all week to earn as many Wildcat Cards as possible. This is one way in which we are recognized for our good choices.

Each week we collect all Wildcat Cards, recognize one student from each classroom as "Weekly Wildcat Winners", and add our cards to our special collection. You can see it in the picture just above!

When we reach our goal, WE CELEBRATE TOGETHER!
