## Upcoming Events

April 2	No school
April 5-9	Spring Break
May 14	½ Day
May 31	No School
June 4	½ Day
June 7	½ Day
June 8	½ Day
June 8	LAST DAY!

## Reminders

Spring is here and the weather has been tricky. Please make sure your child still brings a jacket to school for those chilly mornings!

Progress reports are coming home today. Please look them over and let me know if you have any questions. I am so impressed with the progress we have made this year. I am excited to see how far we can go!

Have a wonderful Spring Break! :)

## Our Learning

**ELA-** This week our essential question was, "How do you take care of different kinds of pets?" The kids really enjoyed this topic. We read a realistic fiction text titled, "The Birthday Pet," and talked about what kinds of pets we have at home and how we help take care of them.

**Math-** We have begun discussing numbers to 20. Teen numbers can be tricky, but we learned how we can look at them like a group of 10 and extra ones. Students should be able to count up to 20 objects and write the number to represent them.

## Thank You!

A big thank you to those of you who turned in reading logs during the month of March! Our goal was to read for at least 15 minutes each night and many far exceeded that goal! Even though March is over, it is still SO important to read to your child every night.
