

# 2<sup>nd</sup> Grade Rocks Out Loud!

Mrs. Grundy's Monkeys  
Week of April 12, 2021

**Reading:** The focus skills for this week in Reading Wonders are on the back of the newsletter. Although we do not have a weekly "spelling test" we do use the spelling words throughout the week.

## **Math:**

We will begin Module 14 on Algebra. We will be using drawing/bar models to set up addition and subtraction equations.

**Science:** Our unit on Plants will begin this week. Hopefully our weather will cooperate and we can do some Science experiments outdoors.

Welcome Spring!

## **Reminder:**

Students will have homework Monday-Thursday. In their "Sturdy Homework Folder" each day, they should have math homework, a book to read nightly (if a chapter book it may take longer) and a reading log to record their book titles.
