No 8, 9 and 10 AM Class

Grade Level: K-8

Class Description

Select the hour you do not want any classes scheduled. This acts as a placeholder on your schedule so other classes aren't scheduled during that time.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
No 8 AM Course Session 1, K-8	8:00 - 8:55	
No 9 AM Course Session 1, K-8	9:00 - 9:55	
No 10 AM Course Session 1, K-8	10:00 - 10:55	
No 8 AM Course Session 2, K-8		8:00 - 8:55
No 9 AM Course Session 2, K-8		9:00 - 9:55
No 10 AM Course Session 2, K-8		10:00 - 10:55

1st Grade Math

This 55 minute class will allow students to practice math and reinforce key math skills through interaction with engaging math games and activities. We recommend you sign your child up for both sessions, giving them 18 days of continued math practice. The content of Session One will not be repeated in Session Two. This course is appropriate for students who are beginning, developing and secure with math.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
1st Grade Math, 1	8:00 - 8:55	
1st Grade Math, 1	9:00 - 9:55	
1st Grade Math, 1	10:00 - 10:55	
1st Grade Math, 1		8:00 - 8:55
1st Grade Math, 1		9:00 - 9:55
1st Grade Math, 1		10:00 - 10:55

Teacher **Ms. Lessor**

1st Grade Reading - How Adults Animals Protect Their Offspring

In this 55-minute class students will:

- READ carefully and thoughtfully while working with texts that expand their world of knowledge and understanding
- THINK as a problem-solver and critical thinker
- WRITE, pulling together what they have learned in an informative writing piece

We recommend you sign your child up for both sessions, giving them 18 days of continued reading practice. The content of Session One will not be repeated in Session Two. This course is appropriate for students who are beginning, developing **and** secure with reading.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
1 st Grade Reading, 1	8:00 - 8:55	
1 st Grade Reading, 1	9:00 - 9:55	
1 st Grade Reading, 1	10:00 - 10:55	
1 st Grade Reading, 1		8:00 - 8:55
1 st Grade Reading, 1		9:00 - 9:55
1 st Grade Reading, 1		10:00 - 10:55

Teacher Ms. Rinn

2nd Grade Math

This 55 minute class will allow students to practice math and reinforce key math skills through interaction with engaging math games and activities. We recommend you sign your child up for both sessions, giving them 18 days of continued math practice. The content of Session One will not be repeated in Session two. This course is appropriate for students who are beginning, developing and secure with math.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
2 nd Grade Math, 2	8:00 - 9:55	
2 nd Grade Math, 2	9:00 - 9:55	
2 nd Grade Math, 2	10:00 - 10:55	
2 nd Grade Math, 2		8:00 - 8:55
2 nd Grade Math, 2		9:00 - 9:55
2 nd Grade Math, 2		10:00 - 10:55

Teacher Ms. Nelson

2nd Grade Reading - Biodiversity

In this 55-minute class students will:

- READ carefully and thoughtfully while working with texts that expand their world of knowledge and understanding
- THINK as a problem-solver and critical thinker
- WRITE, pulling together what they have learned in an informative writing piece

We recommend you sign your child up for both sessions, giving them 18 days of continued reading practice. The content of Session One will not be repeated in Session Two. This course is appropriate for students who are beginning, developing **and** secure with reading.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
2 nd Grade Reading, 2	8:00 - 8:55	
2 nd Grade Reading, 2	9:00 - 9:55	
2 nd Grade Reading, 2	10:00 - 10:55	
2 nd Grade Reading, 2		8:00 - 8:55
2 nd Grade Reading, 2		9:00 - 9:55
2 nd Grade Reading, 2		10:00 - 10:55

Teacher Ms. Schmid

3-D Art and Design

Grade Levels: 3-5

Class Description

Plan, design, and create your own unique art projects! You will learn techniques to make portraits, dioramas, sculptures, and various structures using paper, cardboard, wires, clay, boxes, paint, and other materials. If you love to problem-solve visually and constructively, this will be a great opportunity to enhance your creative skills.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
3-D Design, 3-5		8:00 – 8:55
3-D Design, 3-5		9:00 – 9:55
3-D Design, 3-5		10:00-10:55

Teacher Ms. Shoemaker

3rd Grade Math

This 55 minute class will allow students to practice math and reinforce key math skills through interaction with engaging math games and activities. We recommend you sign your child up for both sessions, giving them 18 days of continued math practice. The content of Session One will not be repeated in Session Two. This course is appropriate for students who are beginning, developing and secure with math.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
3rd Grade Math, 3	8:00 - 8:55	
3rd Grade Math, 3	9:00 - 9:55	
3rd Grade Math, 3	10:00 - 10:55	
3rd Grade Math, 3		8:00 - 8:55
3rd Grade Math, 3		9:00 - 9:55
3rd Grade Math, 3		10:00 - 10:55

Teacher **Ms. Davis**

3rd Grade Reading - Living in Groups

In this 55-minute class students will:

- READ carefully and thoughtfully while working with texts that expand their world of knowledge and understanding
- THINK as a problem-solver and critical thinker
- WRITE, pulling together what they have learned in an informative writing piece

We recommend you sign your child up for both sessions, giving them 18 days of continued reading practice. The content of Session One will not be repeated in Session Two. This course is appropriate for students who are beginning, developing **and** secure with reading.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
3rd Grade Reading, 3	8:00 - 8:55	
3rd Grade Reading, 3	9:00 - 9:55	
3rd Grade Reading, 3	10:00 - 10:55	
3rd Grade Reading, 3		8:00 - 8:55
3rd Grade Reading, 3		9:00 - 9:55
3rd Grade Reading, 3		10:00 - 10:55

Teacher **Ms. Paulson**

4th Grade Math

This 55 minute class will allow students to practice math and reinforce key math skills through interaction with engaging math games and activities. We recommend you sign your child up for both sessions, giving them 18 days of continued math practice. The content of Session One will not be repeated in Session Two. This course is appropriate for students who are beginning, developing and secure with math.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
4th Grade Math, 4	8:00 - 8:55	
4th Grade Math, 4	9:00 - 9:55	
4th Grade Math, 4	10:00 - 10:55	
4th Grade Math, 4		8:00 - 8:55
4th Grade Math, 4		9:00 - 9:55
4th Grade Math, 4		10:00 - 10:55

Teacher **Ms. Slowiak**

4th Grade Reading - Hazardous Weather

In this 55-minute class students will:

- READ carefully and thoughtfully while working with texts that expand their world of knowledge and understanding
- THINK as a problem-solver and critical thinker
- WRITE, pulling together what they have learned in an informative writing piece

We recommend you sign your child up for both sessions, giving them 18 days of continued reading practice. The content of Session One will not be repeated in Session Two. This course is appropriate for students who are beginning, developing **and** secure with reading.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
4th Grade Reading, 4	8:00 - 8:55	
4th Grade Reading, 4	9:00 - 9:55	
4th Grade Reading, 4	10:00 - 10:55	
4th Grade Reading, 4		8:00 - 8:55
4th Grade Reading, 4		9:00 - 9:55
4th Grade Reading, 4		10:00 - 10:55

Teacher **Ms. Vinson**

5th Grade Math

This 55 minute class will allow students to practice math and reinforce key math skills through interaction with engaging math games and activities. We recommend you sign your child up for both sessions, giving them 18 days of continued math practice. The content of Session One will not be repeated in Session Two. This course is appropriate for students who are beginning, developing and secure with math.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
5 th Grade Math, 5	8:00 - 8:55	
5 th Grade Math, 5	9:00 - 9:55	
5 th Grade Math, 5	10:00 - 10:55	
5 th Grade Math, 5		8:00 - 8:55
5 th Grade Math, 5		9:00 - 9:55
5 th Grade Math, 5		10:00 - 10:55

Teacher **Mr. Strandlie**

5th Grade Reading How Human Activity Impacts the Environment

In this 55-minute class students will:

- READ carefully and thoughtfully while working with texts that expand their world of knowledge and understanding
- THINK as a problem-solver and critical thinker
- WRITE, pulling together what they have learned in an informative writing piece

We recommend you sign your child up for both sessions, giving them 18 days of continued reading practice. The content of Session One will not be repeated in Session Two. This course is appropriate for students who are beginning, developing **and** secure with reading.

5 th Grade Reading, 5		9:00 - 9:55
5 th Grade Reading, 5		10:00 - 10:55

Teacher **Ms. Atchison**

6th - 8th Grade Math & Reading

This is 55 minute class is designed to provide structured time for further development and practice of reading and math concepts. Participants will have opportunities to read, explore, evaluate and apply problem solving skills as they work on reading and math strategies.

Title & Grade Level (2020-2021)	Four Week Class	
6th - 8th Grade Math & Reading, 6-8	8:00 - 8:55	
6th - 8th Grade Math & Reading, 6-8	9:00 - 9:55	
6th - 8th Grade Math & Reading, 6-8	10:00 - 10:55	
6th - 8th Grade Math & Reading, 6-8		8:00 - 8:55
6th - 8th Grade Math & Reading, 6-8		9:00 - 9:55
6th - 8th Grade Math & Reading, 6-8		10:00 - 10:55

Teacher **Ms. Loftus**

Animal Stories & Art Grade Levels K-2

Class Description

Fins, feathers, scales, and hooves! Experience your love of animals through fiction and nonfiction literature, and creating art with a wide variety of techniques. If you love to draw, paint, sculpt, and design 3-D projects, this will be a fun opportunity to express your learning of animals and art.

Class Title & Grade Level (2020-2021)	Ses. 1	Ses. 2
Animals Stories and Art, K-2	8:00 - 8:55	
Animals Stories and Art, K-2	9:00 - 9:55	
Animals Stories and Art, K-2	10:00 - 10:55	

Teacher **Ms. Shoemaker**

Baritone Ukulele for Fun Grade Levels: 3-5

Class Description

In this class we will use the Baritone Ukulele to learn some basic chords to play songs to sing along to. The fingerings are easier versions of those that are used in guitar, so this class will lay a foundation for later playing. Lots of fun songs!

<u>Class Title & Grade Level (2020-2021)</u>	<u>Ses. 1</u>	<u>Ses. 2</u>
Baritone Ukulele for Fun, 3-5	10:00-10:55	
Baritone Ukulele for Fun, 3-5		8:00-8:55
Baritone Ukulele for Fun, 3-5		9:00-9:55

Teacher Ms. Shimon

Books and Cooks Grade Levels: K-5

Class Description

Get creative in the kitchen this summer with Mrs. Raisbeck and the class Books and Cooks. Munch, crunch, dip and sip while you enjoy listening to award-winning children's literature. You'll learn how to follow recipes and practice kitchen math skills. During read alouds, you will practice reading comprehension strategies, such as making predictions and inferences while developing your vocabulary and building upon your understanding of story elements.

<u>Class Title & Grade Level (2020-2021)</u>	<u>Ses. 1</u>	<u>Ses. 2</u>
Books and Cooks, K-2	8:00-8:55	
Books and Cooks, 3-5	9:00-9:55

Books and Cooks, 3-5		8:00-8:55
Books and Cooks, K-2		9:00-9:55
Books and Cooks, 3-5		10:00-10:55

Teacher Ms. Raisbeck

Comics Club

Grade Levels: 2-8

Class Description

Comic books. Graphic novels. Manga. What are they? What can they be about? Why are they important? Find the answers to these questions and so much more in Comics Club! Students will be invited to explore different genres and types of graphic novels available through our school and public libraries. We will also discuss how to respectfully respond when someone says that graphic novels aren't real books. At the end of the two weeks, we'll take everything we've learned and students can start their own graphic novel!

Class Title & Grade Level (2020-2021)

	<u>Ses. 1</u>	<u>Ses. 2</u>
Comics Club, 5-8	8:00 - 8:55	
Comics Club, 2-4	9:00 - 9:55

Exploring the World of Chess

Grade Levels: 5-8

Class Description

The game of Chess has traveled through human history and across continents. As a game, it has been described as needing only an hour to learn but a lifetime to master. In this class, students will learn and review the rules of chess, practice new strategies, and explore different versions of the game from around the world and from its earliest origins.

Class Title & Grade Level (2020-2021)

Exploring the World of Chess, 5-8

Finding Your Ancestors - Beginning Genealogy Grade Levels: 5-8

Class Description

If you have ever wanted to know more about the heritage and history of your family, but you weren't sure how to get started, join us as we learn how to begin exploring genealogy. You will learn how to gather your family stories from relatives, look for vital records at the library and online and become familiar with basic genealogy terms and methods. You might just discover a hero, inventor, great explorer or even royalty in your family's past. Students will develop independent research skills which they can use for years to come.

Class Title & Grade Level (2020-2021)

Basic Genealogy, 5-8

Basic Genealogy, 5-8

Ses. 1

8:00 - 8:55

Ses. 2

8:00 - 8:55

Teacher

Mr. Monarski

Geocaching 101

Grade Levels: 2-5

Class Description

In Geocaching 101, students will learn the basics of how to use map coordinates to find locations around the world and in our own communities. Students will use maps to find streets and areas close to summer school then search for geocaches in the area. This allows students an introductory course on how to geocache, where to geocache, and the etiquette to use while geocaching.

Class Title & Grade Level (2020-2021)

I Stem Can You? – Motion

Grade Levels: 4-8

Class Description

I Stem Can You will use the principles of engineering and science to conduct experiments on motion, energy, and forces and how they relate to Newton's Laws of Motion. Students will do an experiment a day (9 days, 9 experiments). We will create marble roller coasters, try to sink boats, create cars powered by fans, paper airplanes, catapults, and much more. Come be an engineer - design, build, and rebuild - to see how objects move.

Class Title & Grade Level (2020-2021)

Teacher Ms. Hermanson

Introduction to Sport Fencing

Grade Levels: 5-8

Class Description

Fencing is a time-honored symbol of nobility and refinement. It represents one of the most exciting and challenging of athletic events. And, the sport of fencing has been a part of the modern Olympics since their founding in 1896. This brief introduction to the sport will allow students to experience some of the excitement as well as the tradition and self-discipline which marks fencing as a unique martial art. Necessary equipment and protective clothing is provided.

Class Title & Grade Level (2020-2021)

Medieval Fantasy Adventure Gaming

Grade Levels: 5-8

Class Description

Games like Runequest, Dungeons & Dragons, Pathfinder and others have been popular pastimes for decades. Players engage in the imaginative creation of a heroic persona with creative storytelling and collaborative problem solving added to the fun. In this class, students will learn the rules, necessary social skills, and math-based calculations of probability that are the basis of this world-wide hobby. The game system used will be the Harnmaster rules of Columbia Games.

<u>Class Title & Grade Level (2020-2021)</u>	<u>Ses. 1</u>	<u>Ses. 2</u>
Medieval Adventure Gaming, 5-8		9:00 - 9:55

Teacher Mr. Monarski

Outdoor Team Activities

Grade Levels: K-8

Class Description

During Outdoor Team Activities your student will learn and refine team building and cooperation skills while being active outdoors. Activities may include soccer, Alaskan baseball, capture the flag, Pirate ball, tag games, and Ultimate Frisbee. Students will be active participants and learn to work independently and with small groups, enjoying the diversity of those around them. Students identify purposes for and follow activity-specific safe practices, rules, procedures, and etiquette.

<u>Class Title & Grade Level (2020-2021)</u>	<u>Ses. 1</u>	<u>Ses. 2</u>

Puzzles & Games

Grade Levels: K-5

Class Description

If you enjoy board games, card games, and puzzles this course is for you. Fun for all ages grades K-5. Some board and card games we will play are Set, Rat-A-Tat Cat, Apples to Apples, Battleship, Sorry, and Connect Four. We may also try to solve a secret code or two. We will have some online puzzles from Breakout.edu to solve. We also plan to use i-Pads and Osmos to work with some spatial problem solving using tangrams..

Teacher Mr. Jarmuz

Travel Blogging

Grade Levels: 3-5

Class Description

So many places to see, so little time! Explore the world through reading, building map skills, and utilizing the Google Expeditions virtual reality goggles. We will keep track of our journey around the world on a website called Google Tour Builder. Then, we will blog about geography, culture, and language on our own blog page using www.education.weebly.com!

Yoga for Kids

Grade Levels: K-5

Class Description

In this fun yoga class, students will practice building social emotional skills through the practice of yoga. Students should wear comfortable clothing and bring a water bottle. If the weather allows, we will go outside. Yoga mats will be provided and sanitized by SASD. Students may also bring their own yoga mats.

Personalized Fitness Challenge

Grade Levels: 4-8

Class Description

Participants will develop their own personalized fitness goal, and construct a plan to achieve that goal during the course. Participants will plan a virtual route, and also track their progress over the time in the course. Along the way they will log data, track their progress and measure results compared to their goal. Participants will be guided in learning about, and researching the history, geography, and culture of the areas they are virtually tracking their goals in. Participants will work on the basics of fitness and nutrition in class (stretching routines, warming up, examining various foods nutritional values, etc.). All participants will receive a certificate of achievement at the end of the class.

Wheel-Thrown Ceramics

Grade Levels: 4-8

Class Description

Wheel – Thrown Ceramics is a challenging and fun FOUR WEEK course where students will be shown and basic wheel-throwing techniques. The course follows a step progression where students will practice a technique before moving on to the next one. Students will complete their pieces using ceramic glazes. The timeline for the class is short, so consistent attendance is very important.

Virtual Classes

Getting Ready for 4K or 5K-Virtual

Grade Level, must be 4 by 9/1/2021 for 4K and 5 by 9/1/2021 for 5K

Class Description

The Stoughton Area School District (SASD) will offer an optional virtual 4K/5K Summer Excel online schedule this summer. Learn more about the importance of learning through play by engaging with your child in exploration. Play allows children to use their creativity while developing their imagination, dexterity, and physical, cognitive, and emotional strength. Play is important to healthy brain development. It is through play that children at a very early age engage and interact in the world around them. Activities from The Pyramid Model framework, Soudy Let's Play Learn, Learning without Tears and the OWL curriculum will be offered. This free virtual option will provide activities that support the development of fine and gross motor skills, early learning skills such as math and literacy, and more! Families can engage in the activities of their choice at their own pace throughout the summer!

Schedule

At Your Own Pace

STEM in a Box Grade Levels: 5-7

Class Description

Get your STEM on in this virtual only course. Choose from our 3 different engineering challenge boxes. Each box will focus on a different area of engineering: mechanical, robotics, and electronics. With each project, we will highlight a different challenge and will support it with video guides, background reading, and daily 30-minute meetings with the instructor. We ask that you do not register for the same challenge box more than once, as the project will be the same. Participants will need to submit a Stoughton Area School District email address when registering in order to access the Zoom link and support videos. If the student doesn't have one, we will assign them one.

Summer EXCEL Scheduling Worksheet

The scheduling worksheet is only used for you to help organize your requests before you register online.

Classes are scheduled on a first come, first served basis. Some sections may be canceled if there is not enough interest to hold the class/section. Times could also change due to enrollment. Columns 1, 2 and 3 in the worksheet represent the number of classes you are able to take in each session. Four-week classes will run all of Session 1 and Session 2. You are not able to split four-week class hours. Class hours are 8:00 am – 8:55 am; 9:00 am – 9:55 am; and, 10:00 am – 10:55 am. **The grade level is the current grade your child is in for 2020 – 2021.**

If your schedule cannot be created with your primary requests, we will use your alternate requests to complete your schedule. Pick at least 2-3 alternates. If you do not want a full schedule of classes (one class for every hour, each session) please use the “No Class” course numbers listed below. Please be aware that we do not have a supervised room for your child to wait for their next class, a sibling or for parent pick up.

Please do not sign up for a class twice to try and guarantee that your child gets the class. In doing so, your child may be scheduled to repeat the same class. Additionally, this prevents other children from having the opportunity to take the course.
