

SHREWSBURY INTERNATIONAL SCHOOL

BANGKOK • RIVERSIDE

6th April 2021

School Closure - 6th April 2021

Dear Parents and Students,

Early this morning we received information with regards to a positive test in the community.

As a result the school will be closed for the remainder of this week, and we require you to collect your children as soon as possible.

The family contacted us directly from the hospital and we are grateful for their swift and decisive action. Our thoughts are with the family who have acted to safeguard the community as a whole.

Although the risk to other families would appear low, the family has children in Year 12 and Year 4. As a result we suggest that all families in those year groups monitor the health of their children closely. If you attended the Year 4 show on Friday the 2nd April we suggest you monitor for potential symptoms and seek out a test as swiftly as you feel appropriate.

We are in contact with the Ministry of Public Health and they have already advised us to close for a period of three days and perform deep cleaning. This will begin this morning.

All students will move to online learning as swiftly as we can today.

Thank you for your support, we will update you as matters progress.

Yours Faithfully,

Chris Seal
Principal
