

Eagle Vision News – April 5th, 2021

Centerville Families,

As most of you know, April 10th marks the date for the statewide mask mandate. With this date looming ahead, there is still a lot of confusion about mask requirements. While the statewide mask requirements end for MOST public places, the mask requirements for K-12 schools REMAINS IN PLACE until June 15. Local officials, (like school boards or county councils, or even school principals do NOT have legal authority to end the school mask requirement before June 15. In addition, Mask requirements will remain in place for group gatherings of 50 or more people until July 1. Attached to this newsletter is a list of reasons Public Health officials and the Legislature gave for continuing the mask mandate in schools. It is my hope that our community, our parents and our students will continue to support our efforts in educating children and support the decisions made by our legislators and leaders. Please help us finish this school year strong with masks on.

In other news, we held our school-wide spelling bee a few weeks ago, and three of our top spellers were invited to the semi-final District spelling-bee. One of our school's spellers, Brady Evans made it through the semi-final competition and will progress to the Final District Spelling Bee on April 22nd. Congratulations to Brady and his hard work.

We have several activities going on this week. Check out the articles below to learn about the school-wide individual picture opportunity, classroom placement form deadline, new Kindergarten-Open House, and Yearbook order deadlines.

Another quote from the office: "Your day will go the way the corners of your mouth turn." Have a great week.

Mr. Holmes

Because of Covid restrictions, we will not be able to have class pictures this year, but Spring Individual Pictures are still a go! Only those who return the envelope from Lifetouch with either OPTION 1 or OPTION 2 marked and appropriate payment enclosed or made electronically will have their pictures taken. Flyers came home before Spring Break. Additional flyers can be obtained in the School office.

Our wonderful PTA has been working hard on our yearbook this year. We are still offering the yearbooks at the low price of \$15. The deadline for this price has been extended to April 30th. After April 30, the cost of yearbook purchase will increase to \$20. Payments may be made by check or cash in the office or paid for electronically on MyDSD.

2021-2022 Classroom Placement

During the next couple of months, classroom teachers and special education teachers will be instrumental in providing feedback on the placement of our students into next year's classrooms. If you would like to provide additional information about your student that the current classroom teacher may be unaware of, please fill out the attached Classroom Placement Form OR stop by the office and grab a paper copy of the form. **Forms are due April 9, 2021.** We appreciate your patience and support as we professionally place each child. Our goal is to ensure that each student's needs are addressed so that they can have a successful school year here at Centerville Elementary School.
