STUDENT SELF-EXPRESSION AND STUDENT DISTRIBUTION OF LITERATURE

Policy

It is the policy of the Barre Unified Union School District (BUUSD) to allow limited distribution of non-school sponsored literature on school grounds or at school events by students. Accordingly, the principal/director may allow students to distribute these materials so long as they are in compliance with this policy.

Definitions

“Non-school sponsored literature” means any printed, written, or electronic materials prepared by non-school organizations or individuals that are not made as a part of the curricular or approved extracurricular programs of the district. They include such things as fliers, invitations, announcements, pamphlets, posters, photographs, pictures, audio recordings, digital recordings, and electronic messages. Materials prepared under the supervision of school staff as part of classroom instruction or classroom activities are not restricted by this policy.

“Distribution” means circulating non-school sponsored literature in ways that include: handing to others on school property or during school-sponsored events; posting on school property such as walls, bulletin boards, and district web-sites; placing upon desks, tables, on or in lockers; or making available in principal’s office.

Implementation

This policy prohibits the distribution of literature that:

- A. Is obscene, vulgar, or profane, or harms the reputation of others;
- B. Violates federal, state or local laws;
- C. Advocates the use or availability of tobacco, alcohol or illegal drugs;
- D. Incites violence;
- E. Interferes with or advocates interference with the orderly operation of the schools;
- F. Primarily seeks to advertise for sale products or services; or

When a student wishes to distribute copies of non-school sponsored literature, the materials must include the name of the person or organization sponsoring the literature, and shall be submitted to the principal/director to review ahead of time in order to

confirm that the literature does not fall in one of the prohibited categories listed above. Any future distribution of materials is dependent on the person/organization cleaning up litter resulting from distribution or posting.

Non-school related postings are limited to one designated area – a community bulletin board by the front offices. School supplies may not be used to create the materials, including printers, copiers, paper, markers, or other supplies.

The principal/director does not need to review the literature ahead of time when the materials will be distributed by a student to other attendees of a student group meeting at school during non-instructional time. However, even in these cases, students must ensure that the materials do not fall into one of the prohibited categories.

The principal/director may place reasonable time, place, and manner restrictions on the distribution of non-school sponsored literature. However, the Administrator cannot use these restrictions or others to discriminate as to the point of view reflected in the materials.

Student Self-Expression

Students have a right to express themselves on school property and at school functions through speech or expressive actions, provided they do not materially and substantially interfere with the orderly operation of the school and the rights of others.

This policy prohibits student self-expression that:

- A. Is obscene, vulgar, or profane, or harms the reputation of others;
- B. Violates federal, state or local laws;
- C. Advocates the use or availability of tobacco, alcohol or illegal drugs;
- D. Incites violence; or
- E. Interferes with or advocates interference with the orderly operation of the schools.

The situation in which students express themselves may affect the amount of freedom they are given in their speech. If the speech is part of a school-sponsored publication, when a reasonable person would think that the speech is endorsed by the school district, the school district may exercise more control. School district representatives may have editorial control over the style and content of student speech in school-sponsored activities, such as class work or a school newspaper, so long as their edits are reasonably related to legitimate school-related concerns.
