STUDENT ASSESSMENT

Policy

It is the policy of the Barre Unified Union School District (BUUSD) to maintain an assessment system that continuously evaluates student learning and links curricular, professional development, and budgetary decisions directly to the need for increased student performance.

The goal of student assessment is to understand how students are performing in relation to local and state standards. Based on student assessment information, teachers, administrators and parents will work together to design and implement strategies to meet the needs of individual students as well as the district's overall goals for student achievement.

Implementation

The BUUSD will participate in the state comprehensive assessment system as defined by the Education Quality Standards Rule 2123.1. In addition, the BUUSD will develop and implement a local comprehensive assessment system as defined by the Education Quality Standards Rule 2123.2. Student and system results will be reported to the community at least annually per Education Quality Standards Rule 2124. Education Quality Standards can be viewed at http://education.vermont.gov/documents/EDU-FinalEQS_AsAdopted.pdf.
