

THE MIGHTY LANCASTER EAGLES' BULLETIN

APRIL 2021

RETURN TO IN-PERSON INSTRUCTION

We are excited to announce our return to in-person instruction in the “At-School” Blended Model will begin on Monday, April 12, 2021. Last week all families received a survey link to indicate whether your student will continue in the “At-Home” Virtual Learning model or return for in-person instruction in the “At-School” Blended model.

Please visit www.avdistrict.org/schools/20-21-school-year-information to review our reopening plan and frequently asked questions.

STOP-IT SAFE SCREEN APP

In preparation for our return to in-person instruction, the District has acquired a new COVID-19 screening tool for all employees and students. In the next few weeks, you will receive information to your school email account that provides directions on how to download the app and create an account. The **STOPit SafeScreen** is a web-based, HIPAA-compliant, data-encrypted application designed for any internet-connected device or smartphone in order to ensure access by all. **Beginning April 12th**, this app will replace the District’s current Google form screening.

VIRTUAL OFFICE HOURS - APRIL 5TH THRU 9TH

For the week of April 5th, the District will suspend office hours to allow time for teachers to prepare their classrooms for blended instruction.

IN-PERSON ACADEMIC SUPPORT

Because we are now able to bring students on campus for In-Person instruction, our stable cohorts receiving academic support from 1:30 to 3:00 **will end on Friday, April 2nd**. This support was a great first step in the return of students to our campuses. We look forward to supporting an even greater number of students within the Blended Model on April 12th.
