Greetings SMSD Parents/Guardians,

Today the State's approved testing vendor experienced state-wide technical issues, resulting in some SMSD students being unable to complete the STAAR/EOC test on Tuesday, April 6. The grades and assessments impacted were the **online Grade 7 Writing and English I** assessments.

The district is waiting to receive guidance from the Texas Education Agency on procedures for those students impacted to complete their respective test. Districts have been provided guidance to reschedule the remainder of the assessment this week, and therefore SMSD has implemented the following assessment schedule for students to report to their campus for the completion of the STAAR/EOC as indicated below:

Stafford Middle School Grade 7 online Writing
Stafford High School English I & English II

Thursday, April 8, 2021
Thursday, April 8, 2021

Please know this is a state-wide issue, and not specific to Stafford MSD. We appreciate your patience as we move forward with the 2021 STAAR/EOC test administrations. If you have any additional questions or concerns, please do not hesitate to contact your campus directly.

Respectfully,

Marva Rasberry,
SMSD Chief Operations/Innovations Officer
