Prevention Profiles: Take Five - September Johnson (Student at Boston University School of Public Health)

Boston University School of Public Health graduate student **September Johnson** was our guest on November's episode of "[Prevention Profiles: Take Five.](#)"

During the podcast, September - who is currently studying for her master's in public health - talks about why it's important to involve students in campus prevention efforts, the best

ways staff can engage students, and much more.

Views from the Field

Addressing Drug-related Violence on Campus: Analyze before Acting

"Substance misuse and violence are both key concerns in campus communities. But what about the overlap of these issues?" writes Dr. Linda Langford.
