

## SCHOLARSHIP INFORMATION

### Local scholarships using Naviance from home!

- ~ Naviance “Colleges” tab, click “Scholarship List.”
- ~ Check off ones you are eligible for and create your own list by adding the scholarships to “Scholarship Application” page.
- ~ Check the list weekly, check off the box next to the statement **“only show scholarships added or updated since my last visit”** and scholarships you have already review will disappear to make it easier to review the list.

### College Specific Scholarships

Go to the Financial Aid Page of your colleges/universities to search for any individual and/or specific scholarships that school may offer. There may be an additional application required or you may just be automatically considered upon submitting your application.

### Recommendations and Transcripts

Ask teachers if you can have a copy of their letter of **recommendation** and get permission to copy it for scholarships.

See the Guidance Secretary, Mrs. Defrancesco and fill out a request to get an **unofficial copy of your** transcript to use for all scholarships.

If you need an **official transcript** for scholarships, please complete the request in guidance at least four days in advance.
