

Children's Clinic
Trusted by Families for Generations

2021 Summer Sports Physical Appointments are Now Open!

Sports physical appointments are available at the Children's Clinic all summer for middle school and high school student athletes.

**TO SCHEDULE AN APPOINTMENT, CALL:
(406) 281-8700**

Benefits of a Children's Clinic Sports Physical:

- Comprehensive physical exam
- Care with a healthcare provider who can document and follow your health over the long-term
- Opportunity to review chronic issues (i.e.- asthma) and receive/update treatment
- Get caught up on immunizations
- Be screened for other important health issues beyond those on the sports physical form

Schedule your appointment now and get it out of the way before the end of the summer crunch hits. That way, you'll be ready when fall practices start. We have two convenient locations: one downtown across from the main entrance to St. V's and one on the west end across from Ace Hardware on Zimmerman Trail.

Sports physicals are typically covered 100% under your health insurance's preventative benefits so the visit will likely be at **ZERO** cost to you.
