

# AMERICAN LEADERSHIP ACADEMY

Dear ALA Mesa Families,

Whether you are a future family or an existing ALA family, I welcome you to our Mesa campus! At American Leadership Academy our **Vision** is for students and staff to **Learn. Lead. Change the World!** To accomplish this we hold to our **Mission: To provide the best educational experience to as many students as possible in a moral and wholesome environment.** How do we accomplish this? By living and breathing our **Values**, the **RAISE Values: Respect, Accountability, Integrity, Service, and Excellence.** Because of these values, we are able to truly partner with families and continue to do the hard work they are doing at home, at school.

Our RAISE Values are the foundation for our school, and upon it are built our strong Academics, Fine Arts, Technology, Physical Education, and Extension programs. We believe that a complete education includes educating the whole child. We look forward, each day, to fulfill our **Mission, Vision, and Values** to their greatest potential!

We wish every family to experience all that ALA Mesa has to offer! Please feel free to reach out if you have any questions!

Sincerely,

Deena LeBio  
Director
