

Reading to Children

Community Service Project

In this project, students will be able to record videos of themselves reading children's books! These videos will then be edited and put up on the Saint John's Catholic Prep website to be viewed by kids everywhere. Our hope is that this will give kids something to enjoy with the restrictions of being in a pandemic.

How Hours will be gained-

- Two books count as one hour
- You can read up to six books for a total of three hours

Requirements-

- Books must be appropriate for very young children
- Every book should have its own video to keep them separate.
- Must be in St. John's Catholic Prep uniform
- Must read books with enthusiasm to keep kids interested

Suggested-

- Introduce yourself!
- Explain why you enjoy/chose the book to read
- Watch this example to get an idea on what to do- <https://bit.ly/3svP3ID>
