

FILE BY MAY 17TH

**YOU MAY BE ELIGIBLE FOR THOUSANDS
OF DOLLARS IN IRS REBATES!**

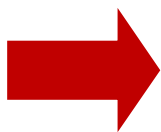

***Did you receive the \$1200, \$600 and/or
\$1400 IRS stimulus payments?***

**If not, you may still qualify, but you
need to file with the IRS.**

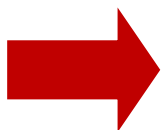

Do you have children?

**If so, you also may qualify for \$3,000 per child
(\$3,600 if child is under 6) through the Child
Tax Credit (CTC), but you need to file with the
IRS.**

Did you have any earnings in 2020?

**If so, you may also qualify for as much as \$1,500 if you
have no children OR up to \$6,000 if you have children
through the Earned Income Tax Credit (EITC).**

Here's how it could work:

A parent with children under six without a job or other earnings would get:

1st Stimulus: $\$1200 + \1000 [$\$500$ dependent's benefit $\times 2$] = **\$2200**

+

2nd Stimulus: $\$600 \times 3$ = **\$1800**

+

3rd Stimulus: $\$1400$ stimulus $\times 3$ = **\$4200**

+

CTC: $\$3600 \times 2$ = **\$7200**

Total: \$15,400
