RE: **Recommendation for Award of Contracts for MEP Projects – Installations**

On Thursday, February 25, 2021, the district received twenty (20) responses for twelve (12) categories of construction trade for the MEP Projects, per the attached Bid Summary by category.

The purchase of equipment for this project was approved at the regular meeting of the Board of Education on January 11, 2021. The following request is to complete the project with installation of the equipment starting this summer.

A request for proposals was issued February 11, 2021, with advertising on the district’s Purchasing Department website, on the State procurement website Sigma.com, on BidNet Direct, and in the Rochester Post. A virtual public bid opening was conducted on February 25, 2021 at 2:30pm.

Bids were reviewed and evaluated by a team from Frank Rewold and Son Inc., and by Pete Muscio, Director of Capital Projects for Rochester Community Schools. All of the accepted bids were found to be initially compliant with the required specifications per the detail in the bid summary. The bids were analyzed on bid content, completeness, inclusion of required submittals, and compliance with required specifications. Interviews and evaluations were conducted according to the attached documentation and recommendation submitted by Mike Gagnon of Frank Rewold & Son which was reviewed by Peter Muscio and Jennifer Fickel, Purchasing Supervisor.
