Dear Superintendent Holmen:

Thank you for submitting information to us about the percentage of instructional hours Lake Washington School District is offering your students in-person each week. We have reviewed your submission and determined that your scheduled time in-person meets the intent of the Governor's requirement for the percentage of scheduled in-person instructional hours per week.

Thank you for your continued work supporting your students, staff, families, and community.

Sincerely,

Chris Reykdal  
Superintendent of  
Public Instruction
