

**Accident Prevention and Reporting**

The practice of safety is considered a facet of the instructional plan of the Bethany Public School District (District) by virtue of educational programs in traffic and pedestrian safety, fire prevention, emergency procedures, etc., appropriately geared to students at different grade levels.

The Principal shall be responsible for the supervision of a safety program for the school and the Superintendent shall have overall responsibility for the safety program of the District. General areas of emphasis shall include, but not be limited to:

1. in-service training;
2. accident record-keeping;
3. facility inspection;
4. fire prevention; and
5. emergency procedures and traffic safety problems relevant to students, employees, and the community.
