Remote Work

The Bethany Board of Education (Board) recognizes that providing staff members the flexibility of working remotely may be necessary at times when widespread illness, a declared pandemic health emergency, natural disasters, or other roadblocks interrupt the Bethany Public School District's (District) ability to conduct school and/or business on a regular basis. An authority outside the District may, in addition to the Board and/or the Superintendent, direct school closures. In addition, the Board understands and supports the belief that during normal times of operation, it may be beneficial to have some staff members, with appropriate approval, fulfill their professional responsibilities by working remotely.

In order to address any immediate concern related to quarantine, natural disaster, or other event that interrupts normal operations, the Board directs the Superintendent to promulgate administrative regulations to outline expectations and provide guidance should the need arise for staff to work from home.
