## **Submitted Questions & Responses**

Please confirm whether the FSMC is responsible for hood and grease filters. Pg. 26 section I7 states FSMC will be responsible for hood and grease filters, however Exhibit D pg. 55 it says NA?

It is NA; YES Prep does not have equipment that needs hood or grease filters.

Can you confirm whether a guarantee is requested? Pg. 30 section J9 requires guarantee to SFA of budgeted return, but exhibit C on pg. 51 says N/A for all guarantees?

YES Prep, the SFA, will negotiate the terms of the final guaranty after the contract is awarded. See Exhibit I.

Do you want the FSMC to fill out and include their own Exhibit C?

### No

Exhibit B requests the same lunch menu at every level. Some items may not be appropriate for PK and K. Should we submit with the corrected portions by age group, or all 9-12 portions?

The expectation is that each grade group be portioned appropriately and in compliance with NSLP standards.

Exhibit D pg. 53 checks FSMC as responsible for removing trash from premises. Are you asking the FSMC to get their own trash contract?

No. The ask is for the FSMC to take trash out daily to the dumpsters/recycling cans.
