Saint Peter Public Schools continues to track lab-confirmed cases of COVID-19 amongst students and staff. If your student is diagnosed with COVID-19, it is important to call your child's school (even if your child is doing Distance Learning).

***REMINDER TO PARENTS: Please dress your child appropriately for the weather. Please remember to have your child wear a coat and/or sweatshirt and appropriate footwear each day. Thank you!***

In April, the teachers will be doing class lists for the 2021-2022 school year. As professionals, they have the opportunity to see your child with their peers and create classrooms that best support the learning needs of all of our students. A great deal of time, effort, and thought goes into this process with numerous factors being taken into consideration. If there is any information that you would like us to take into account for this, Parental Input forms are available. If you would like to complete a form, please contact the South Office at 507-934-2754, and a form will be emailed to you. Please note that this form will focus on your child as a learner and **specific teacher requests will not be accepted. The last date to submit these forms to the office is April 23, 2021.**

*Kindergarten Registration for the 2021-2022 school year has moved to an on-line format. Due to our current COVID restrictions, we are not able to host our registration event as we have done in the past. We will continue to monitor the situation within our community, and when it is safe to do so, we are hopeful that we can hold some type of an on-site Kindergarten Fun 2021 Night later in the late Spring or Summer. Please register your child on the district website, and we will make sure you get notified of any upcoming events. We look forward to meeting all of our new learners! If you need assistance, please call Marlene Willson at South Elementary at 507-934-2754 ext. 3045.*
