

Summer 2021

Precalculus CP

This class will be in-person at Fenwick

Instructor: Mr. MacKay

Friday, June 11: Introduction/Expectations

June 28 – August 2: Classes

Fee: \$685.00 per student

Summer Precalculus CP is a 5-week, in-person course which will cover the entire curriculum of the full-year Fenwick Precalculus CP course. This course is rigorous and intense and is therefore not recommended for all students.

Due to the nature of this course, students must

- *be self-motivated.*
- *have an A- or better average in Algebra 2 CP or a B- or better average in Algebra 2 Honors.*
- *have the recommendation of their Algebra 2 teacher and the Math department chairperson.*
- *earn a B- or better in the Summer Precalculus class to advance to Calculus Honors in the fall.*

For further information, contact Mrs. Nagle at cdn@fenwick.org.
