DETAILS:

- Brighten A Day is a 501(c)(3) nonprofit that works to lift the spirits of those who are in need of some cheer by sending them love, hope, and joy through cards and gifts.
- Started by high school student, Hita Gupta, and with the help of her parents and brother, she founded Brighten A Day, a 501(c)(3) nonprofit to help overcome the loneliness of the Covid pandemic.
- They have expanded beyond cards and notes to sending devices, videos, and care packs, along with coordinating video chats between volunteers and seniors.

By signing up on the Brighten A Day website, you will be connected with locations to send your cards and notes.
